Blue Cross and Blue Shield of Kansas City
COST-PLUS ADDENDUM

This Cost-Plus Addendum amends and is incorporated into and made a part of the Group Contract(s) entered into by and between Blue Cross and Blue Shield of Kansas City, on behalf of itself and its subsidiary, Good Health HMO, Inc., d/b/a Blue-Care, if applicable (collectively, "BCBSKC") and Raytown C-1 School District ("Employer"). This Addendum shall be effective July 1, 2019 (the "Effective Date").

WHEREAS, the parties have entered into the Group Contract(s) numbered 33060000 and the associated Health and, if applicable, Dental Benefit Certificate(s) (collectively, the "Group Contract(s)"), pursuant to which BCBSKC has agreed to arrange for the provision of certain health care services and/or dental care to Employer's eligible Employees and their covered Dependents in accordance with the terms, conditions, limitations and exclusions specified in the Group Contract(s);

WHEREAS, the parties desire to implement an alternative funding arrangement for the Group Contract(s), as set forth herein; and

WHEREAS, this Addendum, while implementing an alternative funding arrangement, does not alter any terms or conditions of the benefits covered under the Group Contract(s).

NOW, THEREFORE, in consideration of the foregoing, the mutual promises and agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

Article 1
Employer's Obligations

1.1 Funding under Group Contracts. Employer agrees that the funding for coverage under the Group Contract(s) shall be determined as set forth in this Addendum.

1.2 Fixed Premium. Employer shall pay BCBSKC, on a monthly basis, the Fixed Premium in accordance with Article 3.2.

1.3 Employer's Claims Obligations. In order to fulfill the Employer's total financial obligations under the terms of this Addendum, the Employer shall make payments to BCBSKC as set forth herein and in accordance with Article 3.1. For each month that this Addendum is in effect, Employer shall pay to BCBSKC an amount set forth in (a) and (b) below:

(a) the lesser of:

i. the Cumulative Paid Claims; or

ii. the Cumulative Monthly Claims Limit

LESS

(b) the Cumulative Prior Payment Amount.

Example:

	January	February	March	April
Paid Claims	70	80	110	90
Cumulative Paid Claims	70	150	260	350
Monthly Claims Limit	100	100	100	100
Cumulative Monthly Claims Limit	100	200	300	400
Cumulative Prior Payment Amount	0	70	150	260
Actual Payment Owed	70	80	110	90

Notwithstanding the foregoing: (1) Paid Claims in excess of the Individual Pooling Limit for any Covered Person will not be counted as Paid Claims for the purposes of the calculation set forth above; and (2) the Cumulative Monthly Claims Limit for the full Contract Period shall not be less than the Minimum Annual Claims Limit set forth in Exhibit A (Cost Plus Provisions).

1.4 Statutory Assessments. To the extent BCBSKC is required to pay any Statutory Assessments, Employer will pay BCBSKC an amount equal to the Statutory Assessments based upon BCBSKC's determination of such amounts. BCBSKC shall bill the Employer these Statutory Assessments on the Monthly Settlement Report, and the Employer shall pay such Statutory Assessments in accordance with Article 3. If BCBSKC determines, in its sole and reasonable discretion, that its methodology for paying the Health Insurance Providers Fee (aka HIT Tax) was incorrect (e.g., BCBSKC required Employer to pay the HIT Tax on all amounts paid by Employer to BCBSKC, but BCBSKC subsequently determines that a portion of the amounts paid by Employer are not subject to the HIT Tax, or vice versa), resulting in an underpayment or overpayment by Employer of the HIT Tax, then BCBSKC shall notify Employer of the shortfall or excess, and: (a) Employer shall promptly pay to BCBSKC such shortfall; or (b) BCBSKC shall reimburse Employer for such excess (which may include, at BCBSKC's option, applying a credit to subsequent Employer invoices), as applicable. Notwithstanding the foregoing, BCBSKC's determination of the HIT Tax percentage set forth in Exhibit B (Rate Exhibits) is not subject to this Article 1.4.

1.5 Collateral. Upon BCBSKC's request, Employer shall procure a letter of credit (in such form as is reasonably acceptable to BCBSKC) from a financial institution reasonably acceptable to BCBSKC that evidences a commitment by the financial institution of funds payable to BCBSKC upon reasonable request (without any further or additional action or authorization by Employer). Employer shall maintain such letter of credit until the end of the Runout Period. Alternatively, upon BCBSKC's request, Employer shall deliver to BCBSKC an amount reasonably requested by BCBSKC as collateral ("Collateral") for Employer's obligations under this Agreement. In the event Employer fails to pay amounts due to BCBSKC hereunder, BCBSKC may use as much or all of the Collateral as is needed to satisfy Employer's obligations. Any unused Collateral will be returned to Employer at the end of the Runout Period.

Article 2
BCBSKC Rights and Obligations

2.1 Benefit Determinations. For the purpose of this Addendum, BCBSKC shall have the right to determine the amount of Benefits, if any, payable for any Covered Person. Employer delegates to BCBSKC discretionary authority to construe, interpret and apply the Plan of Benefits for purposes of processing claims and appeals. BCBSKC, as claims fiduciary, has the full, final, binding and exclusive discretion to construe, interpret and apply the terms of the Plan of Benefits as may be necessary in order to process claims and make determinations on appeal of claims. BCBSKC shall determine the extent of the benefits (if any) to which any Participant is entitled under the Plan of Benefits. BCBSKC shall have no liability for alleged or actual misinterpretations of the Plan of Benefits. Decisions by BCBSKC shall be complete, final and binding on all parties. Such determination shall be on the same basis as would be applicable under the Group Contract(s) in the absence of this Addendum. In the event of legal action against BCBSKC, by or on behalf of a Covered Person for Benefits under the Group Contract(s) with respect to a denied claim, BCBSKC, at its own expense, shall undertake the defense of such action and shall pay any judgment rendered therein. BCBSKC shall have the right to settle any such action. The Employer shall reimburse BCBSKC for the portion of any such judgment or settlement which is for a Paid Claim under the Group Contract(s), and such Paid Claim shall be administered in accordance with the terms of this Addendum, including Articles 1 and 3.

Article 3
Payment Due Dates, Grace Periods and Payment Changes

3.1 Monthly Settlement. Monthly payments for Paid Claims, Access Fees, Statutory Assessments and related charges, as indicated on the Monthly Settlement Report, are due and payable by the Employer within 31 calendar days following delivery to Employer by BCBSKC of the Monthly Settlement Report. The Employer shall have no grace period for such monthly payment.

3.2 Fixed Premium. The Fixed Premium is due and payable by the Employer the first day of each month; provided, that any Statutory Assessments and Access Fees will be due and payable by Employer with the Monthly Settlement as set forth in Article 3.1. The Employer shall have a grace period of 31 calendar days for such monthly Fixed Premium.

3.3 Changes in Employer's Obligation. BCBSKC reserves the right to change any and all fees, charges and factors upon a 31 calendar day written notice prior to the end of a Contract Period, to be effective for the following Contract Period.

3.4 Late Payment Charge. BCBSKC reserves the right to charge a late payment fee of $8,400 in each instance in which Employer fails to timely pay any amount due to BCBSKC in accordance with this Article 3.

Article 4
Amendments

4.1 General. Except as provided in Article 3.3, BCBSKC may amend any other term or condition of this Addendum upon 60 calendar days written notice to conform to statutes of the state in which this Addendum is issued for delivery.

4.2 Notice. Notice of an amendment may be in the form of a new Addendum, a rider, or an amendment to this Addendum or otherwise as BCBSKC may elect.

Article 5
Termination

5.1 Term. The term of this Addendum shall begin on the Effective Date and shall continue until terminated as set forth in this Article 5.

5.2 Termination by Either Party. This Addendum may be terminated by BCBSKC or the Employer provided such party gives the other party written notice of its election to terminate the Addendum at least 30 calendar days prior to the end of the then current Contract Period. This Addendum and the underlying Group Contract(s) shall automatically terminate on the date of termination of the Group Contract(s).

5.3 Termination Due to Material Default. Except as provided in Article 5.4 below, either party may terminate this Addendum for cause upon written notice if the other party materially defaults in the performance of a provision of this Addendum and such default continues for a period of 60 calendar days after written notice to the defaulting party from the aggrieved party stating the specific default.

5.4 Termination Due to Non-Payment. Notwithstanding anything to the contrary herein, if Employer fails to pay BCBSKC in accordance with Article 3, this Addendum and the underlying Group Contract(s) may be terminated by BCBSKC, effective retroactively to the last day of the month in which all amounts owed to BCBSKC for such month were paid by the Employer.

5.5 Runout.

(a) Runout Claims and Services. Upon termination of this Addendum, and except in the event of Employer's material breach of this Addendum (including Employer's non-payment), BCBSKC shall provide Runout Services for Runout Claims.

(b) Runout Services Fee and Claims Obligation. Monthly payments for Runout Claims and the Runout Services Fee are due and payable by Employer for each month during the Runout Period within [2 – 31] calendar days following delivery to Employer by BCBSKC of the Monthly Settlement Report. The Employer shall have no grace period for such payments. Unless Employer purchases Terminal Liability Coverage as set forth in Article 5.6 below, Employer shall have the total obligation for Runout Claims.

(c) Statutory Assessments for Runout Claims and/or Runout Services. To the extent that any Statutory Assessments apply to Employer's payment obligations under Article 5.5 and/or 5.6, as determined by BCBSKC in its sole and reasonable discretion, then Employer shall pay to BCBSKC an amount equal to such Statutory Assessments.

5.6 Terminal Liability Coverage. Employer may choose to purchase, at the time of execution of this Addendum, Terminal Liability Coverage; provided, that there is no Individual Pooling Limit with respect to Runout Claims. If Employer purchases Terminal Liability Coverage, the following shall apply:

(a) Terminal Liability Coverage Charges. Terminal Liability Coverage Charges will be included with the Pooling Charges and paid by the Employer in accordance with Article 3.2.

(b) Terminal Liability Factors. The Employer's obligation for Runout Claims is limited to the amounts set forth in the "Terminal Liability Factors" section of Exhibit B (Rate Exhibits) for each Coverage Class and Product Type combination, multiplied by the number of such Coverage Class and Product Type combinations, based on the greater of:

1. enrollment during the last month of the final Contract Period; or

2. the average enrollment during the last three (3) months of the final Contract Period.

5.7 Late Payment. BCBSKC reserves the right to charge a late payment fee of $8,400 in each instance in which Employer fails to timely pay any amount due to BCBSKC in accordance with this Article 5.

Article 6
General Provisions

6.1 Modification of Group Contracts. The provisions of the Group Contract(s) are amended to the extent necessary to be consistent with the provisions set forth in this Addendum and to that extent the provisions of this Addendum shall govern notwithstanding anything in the Group Contract(s) to the contrary.

6.2 Waiver. Neither the failure nor any delay by either party to exercise any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof, or the exercise of any other right, power or privilege. In the event that a party does waive any breach of any provision of this Addendum, such waiver shall not be deemed or construed as a continuing waiver of any breach of the same or different provision.

6.3 BlueCard Fees. Employer understands and agrees: (a) to pay certain fees and compensation to BCBSKC which BCBSKC is obligated under BlueCard to pay to Licensees, to

the Blue Cross and Blue Shield Association, or to the BlueCard vendors; and (b) that fees and compensation under BlueCard may be revised from time to time without Employer's prior approval in accordance with the standard procedures for revising fees and compensation under BlueCard. Some of these fees and compensation are charged each time a claim is processed through BlueCard and include, but are not limited to, access fees, administrative expense allowance fees, Central Financial Agency Fees, and ITS Transaction Fees. Other fees include, but are not limited to, an 800 number fee and a fee for provider directories. Employer may contact BCBSKC if Employer would like an updated listing of these types of fees. These fees are included in the Fixed Costs Fees and are guaranteed for the term of this Addendum.

6.4 BlueCard Recoveries. Under BlueCard, recoveries from a Licensee or from participating providers of a Licensee can arise in several ways, including, but not limited to, anti-fraud and abuse audits, provider/hospital audits, credit balance audits, utilization review refunds, and unsolicited refunds. In some cases, the Licensee will engage third parties to assist in discovery or collection of recovery amounts. The fees of such a third party are netted against the recovery. Recovery amounts, net of fees, if any, will be applied in accordance with applicable BlueCard policies, which generally require correction on a claim-by-claim or prospective basis. Unless otherwise agreed to by the Licensee, BCBSKC may request adjustments from the Licensee for full provider refunds due to the retroactive cancellation of membership only for one year after the Inter-Licensee financial settlement process date of the original claim. In some cases, recovery of claim payments associated with a retroactive cancellation may not be possible if the recovery conflicts with the Licensee's state law, provider contracts or jeopardizes its relationship with its providers.

6.5 BCBSKC Recoveries. BCBSKC may pursue recoveries of Paid Claims in accordance with its rules and procedures (including via the use of third parties acting on BCBSKC's behalf), which may arise in several ways, including but not limited to, anti-fraud and abuse audits, provider/hospital audits, utilization review refunds, and class action settlement recoveries from health care providers and manufacturers of health care or other products or services. Any recovery will be credited to the Employer, subject to the terms of this Addendum, as described in 6.5.1.

6.5.1. In the event the BCBSKC obtains, directly or through a third party, recoveries that relate to Paid Claims, the following will apply:

a. Employer shall first reimburse BCBSKC directly a pro rata portion of such recovery;
b. Such portion shall not exceed the amount BCBSKC has paid under the Agreement;
c. Such portion will be net of BCBSKC's portion of recovery fees;
d. Allocation of the recovery fees will be based upon the amount related to such recovery that was paid by BCBSKC and Employer; and
e. Employer will retain or receive the remaining portion of such recovery net of its portion of recovery fees.

6.5.2. Any amounts recovered by BCBSKC shall not apply to and shall not be used to satisfy the Individual Pooling limit.

6.6 Medical Value Payments. Employer acknowledges that BCBSKC may have value-based payment arrangements with providers participating in certain health care delivery programs, including but not limited to patient-centered medical homes, accountable care organizations or episode-based provider payments. These providers are known as "Blue Distinction Total Care" providers. Pursuant to such health care delivery programs, Blue Distinction Total Care providers may be eligible for alternative payments, in lieu of or in addition to, traditional fee-for-service reimbursement, including but not limited to, withholds, bonuses, incentive payments, provider credits and member management fees (collectively, "Medical Value Payments"). The amount of Medical Value Payments Blue Distinction Total Care providers receive is specific to the Blue Distinction program and/or provider and may or may not be directly related to Employer, any Covered Person, or any other group or individual. Employer acknowledges that Medical Value Payments payable to any one or more Blue Distinction Total Care providers (a) will be included in Paid Claims, (b) may include compensation for services that are related to Covered Services, including, but not limited to, coordination of care, and (c) may include compensation in recognition of Blue Distinction Total Care provider's achievement of stated performance objectives, including, but not limited to, quality of care, patient outcomes or cost.

6.7 BCBSKC Prescription Drug Program. BCBSKC contracts with a pharmacy benefit manager ("PBM") for certain prescription drug administrative services, including prescription drug rebate administration and pharmacy network contracting services.

Under the agreement, PBM obtains rebates from drug manufacturers based on the utilization of certain prescription products by Covered Persons, and PBM retains the benefit of the rebate funds prior to disbursement. In addition, pharmaceutical manufacturers pay administrative fees to PBM in connection with PBM's services of administering, invoicing, allocating, and/or collecting rebates. Such administrative fees retained by PBM in connection with its rebate program do not exceed the greater of (i) 4.58% of the average wholesale price, or (ii) 5.5% of the wholesale acquisition cost of the products. AWP does not represent a true wholesale price, but rather is a fluctuating benchmark provided by third party pricing sources. PBM may also receive other service fees from manufacturers as compensation for various services unrelated to rebates or rebate-associated administrative fees.

In addition, BCBSKC and PBM also contract with pharmacies to provide prescription products at discounted rates for BCBSKC members. The discounted rates paid by PBM and BCBSKC to these pharmacies differ among pharmacies within a network, as well as between networks. For pharmacies that contract with the PBM, the amount paid by BCBSKC to PBM under the BCBSKC contract with the PBM may vary from the various discount rates PBM pays to the pharmacies. Thus, where the BCBSKC rate exceeds the rate the PBM negotiated with a particular pharmacy, the PBM will realize a positive margin on the applicable prescription. The reverse may also be true, resulting in negative margin for the PBM. In addition, when the PBM receives payment from BCBSKC before payment to a pharmacy is due, the PBM retains the benefit of the use of these funds between these payments. BCBSKC is guaranteed a minimum

level of discount whether through the PBM or where BCBSKC directly contracts with network pharmacies, which could result in the amount paid by Employer to be more or less than the amount PBM and/or BCBSKC pay to pharmacies.

Employer acknowledges and agrees for itself and its Covered Persons that BCBSKC is not acting as a fiduciary with respect to rebate administration, pharmacy network management, or the prescription drug plan. Employer further acknowledges for itself and its Covered Persons that BCBSKC receives rebates from the PBM and may receive positive margin in connection with the pharmacy network, as well as other financial credits, administrative fees and/or other amounts from network pharmacies, drug manufacturers or the PBM (collectively "Financial Credits"). Employer acknowledges and agrees for itself and its Covered Persons thatBCBSKC shall retain sole and exclusive right to all Financial Credits, which constitute BCBSKC property (and are not plan assets), and BCBSKC may use such Financial Credits in its sole and absolute discretion, including without limitation to help stabilize BCBSKC's overall rates and to offset expenses, and BCBSKC does not share Financial Credits with the Employer.

Without limitation to the foregoing, Employer acknowledges and agrees to the following ("Financial Credit Rules") for itself and its Covered Persons that: (1) Employer and/or Covered Persons shall have no right to receive, claim or possess any beneficial interest in any Financial Credits; (2) Applicable drug benefit copayments, coinsurance, outpatient prescription drug deductible, deductible and/or maximum allowable benefits (including without limitation Calendar Year Maximum and Lifetime Maximum benefits) shall in no way be adjusted or otherwise affected as a result of any Financial Credits, except as may be required by law; (3) Any deductible and/or coinsurance required for prescription drugs shall be based upon the allowable charge at the pharmacy, and shall not change as a result of any Financial Credits, except as may be required by law; and (4) Amounts paid to pharmacies or any prices charged at pharmacies shall in no way be adjusted or otherwise affected as a result of any Financial Credits.

6.7.1 Pharmacy Carve-In Credits. BCBSKC agrees to provide Employer with pharmacy carve in-credits as provided in this section. The carve-in credit shall be $10.00 per member per month, and shall be paid on a quarterly basis through a credit against amounts invoiced and due from Employer. The number of members shall be determined from the actual enrollment in the health plans with prescription drug coverage.

BCBSKC has the right, upon notice, to make an equitable adjustment to the carve-in credit amount in the event there is:

(a) a material change in the conditions or assumptions utilized in providing the carve-in credit;
(b) a material change in the size or demographic's of the Employer's membership;
(c) Employer takes an action that has the effect of lowering the amount of Financial Credits available to BCBSKC; or
(d) A material change in law or the pharmacy benefit industry that adversely impacts BCBSKC's ability to obtain Financial Credits.

Employer agrees to fully and accurately disclose and report pharmacy carve-in credits and any other discount, rebate, or other credit received by Employer or retained by BCBSKC and/or its PBM, as required by law.]

6.8 Entire Agreement. This Addendum and the Group Contract(s) constitute the entire Agreement between the parties concerning this subject matter and supersede all other agreements, representations or communications, oral or written, between the parties or their predecessors relating to the transactions contemplated by or which are the subject matter of this Addendum, and both parties understand and agree that prior agreements, practices or statements inconsistent with the language, terms and conditions of this Addendum are of no force or effect.

Administrative Performance Measures

Claims Processing

Claims Administrative Accuracy

Administrative accuracy shall be determined by reviewing a statistically valid sample of medical/dental claims for the correctness of coding accuracy in the administration of the plan. Examples of administrative errors include correct amounts sent to the wrong payee, and/or misapplied deductibles and maximums that do not result in payment errors. Administrative accuracy errors do not include any claims that affect claims payment or deductible accumulation, nor any errors that are corrected by Administrator prior to audit.

Administrative accuracy will be determined by counting the number of claims in a monthly sample that contains one or more coding errors (errors that do not affect claim payment) divided by the total number of claims in the sample. The resulting number shall than be subtracted from 1.00 to determine the administrative accuracy rate.

Performance Standards

97% and greater accuracy: No Penalty
92% to 96.9% accuracy: $8,250 Penalty
Accuracy less than 92%: $16,500 Penalty

Claims Financial Accuracy

Financial accuracy shall be determined by reviewing a statistically valid sample of medical and dental claims for the dollar amount of payment errors. Payment errors for financial accuracy shall be defined as claims payments that are either overpayments or underpayments of the amounts due to plan participants (i.e. payment in the wrong amount, duplicate payments, payment for non-eligible benefits, misapplied deductible or maximums resulting in payment errors). A financial error that is corrected by Administrator prior to audit shall not be considered as being a payment error. Overpayments and underpayments made on the same claim to the same provider that result in a correct net payment being made to such provider on such claim shall not be considered a financial payment error.

Financial accuracy of claims payments will be based on the dollar value of the payment errors measured as a percentage of total paid claims (dollar value of payment errors divided by the total dollars paid). The resulting number shall then be subtracted from 1.00 to determine the financial accuracy rate.

Performance Standards

99% and greater accuracy: No Penalty
98.9% to 92% accuracy: $8,250 Penalty
Accuracy less than 92%: $16,500 Penalty

Claims Processing Timeliness

Claims processing timeliness shall be determined by reviewing claims systems reports for the length of time incurred in processing clean medical claims. Clean medical and dental claims are defined as claims that do not require investigation or intervention. Claims requiring investigation include all claims that are not yet processed and are being held until Administrator is provided with all information pertinent to the claims as requested by Administrator and as necessary for processing of the claim. Claims requiring intervention include but are not limited to COB claims, claims requiring medical review, etc. Claims requiring investigation or intervention will not be considered for claims processing timeliness.

Claims processing time will be determined by measuring the interval of business days between the date the clean claim is received by Administrator and the date the claim is finalized by Administrator.

Performance Standards

95% or more within 14 days: No Penalty
90% to 94.9% within 14 days: $8,250 Penalty
Less than 90% within 14 days: $16,500 Penalty

Administrative Performance Standards – General Principles

The Administrative Performance Guarantees penalty amounts apply to fees (excluding Optional, Non-Standard Services, and or network savings fees) as outlined in the Contract between Administrator and the Plan Sponsor and will be adjusted in accordance with the performance standards set forth below.

The performance measures will be effective July 1, 2019, and will remain in force through June 30, 2020 (hereinafter the "Measurement Period"), or until termination of the Contract between the two parties, whichever is sooner. Administrator will place a maximum of $49,500 of medical fees at risk. For each category, performance will be measured by, and penalties, if any, will be calculated on the basis of Administrators audits, surveys, or reports as described in this document. Plan Sponsor retains the right to have internal or external auditors verify the accuracy of Administrators reported results at the Plan Sponsor's expenses.

1. Measurement of Administrator performance against the standards shall be performed and reported to Plan Sponsor by Administrator on a quarterly basis or as otherwise noted.
2. The measures discussed herein are average measures relative to the entire Measurement Period, as set out above. The Appropriate penalties will be paid if the result fails to meet the established goal for the entire Measurement Period. Select measures will be reported on a quarterly basis for illustrative purposes only. The final report for the measurement period will be delivered to Group once data on all performance measures is available and calculated by Administrator. Payment will be credited to Group's account, if coverage is renewed for the following plan year. In the event Group terminates coverage before penalties are paid, Administrator is not liable to remit payment for the Measurement Period.
3. This performance guarantee agreement applies only in regard to Plan Sponsor's health services provided directly by Administrator. It is not intended to apply to any other service of coverage, including but not limited to dental and/or life insurance coverage, and carve-outs such as vision, prescription drug card and mental health.

Payment of Penalties

Although Administrator will provide quarterly performance reports, penalties will be assessed for any plan year in which Administrator fails to meet or exceed the performance standards specified herein for Claims Processing. Performance will be calculated based on an annual average, excluding the best and worst months.

Audit of Performance

Plan Sponsor agrees to accept the results and the methodology, as defined therein under Administrator's internal quality assurance review process, as the measurement of the criteria set forth in this agreement.

Except stated herein, this agreement shall not be construed to otherwise change any of the terms or conditions of the Master Contract.
