

Item	Winner	QTY to order	Price Each	Total Price	Notes
Lenovo ThinkCentre M70a	CDW-G	10	\$823.60	\$8,236.00	This is the lowest bid. Currently we plan to switch the user's of this model to the L14 laptop, this is an effort to begin to simplify the number of device models that we maintain.
Panasonic Toughbook 55	SHI		\$2,337.05	\$0.00	We don't expect to have to order any of these but we will go with this vendor if we do. The other vendor did not bid this item.
Lenovo 500w	CDW-G		\$485.04	\$0.00	This is the lowest bid
Acer Chromebook (HS) [C736]	CDW-G	800	\$265.63	\$212,504.00	We want the Intel based model for the high schools at it has a better fit for the work that we expect the high school students will be doing on their chromebooks. 800 devices should cover the enrollment for each class of incoming freshman at both high schools.
Lenovo 100e Chromebook	CDW-G		\$268.42	\$0.00	CDW-G is \$57.94 higher, but also is including the 3 year warranty versus the other vendor with a 1 year warranty.
Acer Chromebook (Elem) [C723]	CDW-G	1200	\$233.75	\$280,500.00	This is to handle the current enrollment for 6th grade and the highest elementary grade level as provided by SISK12. The other vendor that has a lower price bid a model that is going end of service life.
Lenovo 300e Chromebook	CDW-G		\$332.84	\$0.00	CDW-G is \$59.44 higher, but also is including the 3 year warranty versus the other vendor with a 1 year warranty.
Lenovo Thinkpad L14	CDW-G	300	\$783.79	\$235,137.00	This is the lowest bid. In an effort to begin to simplify the number of devices we will not be ordering the all-in-one desktop's and begin to switch those user's to a laptop - even though they will not be taking it on the go unless we have an AMI day.
Lenovo Thinkpad T14	CDW-G	75	\$1,147.77	\$86,082.75	This is the lowest bid. This will be the new device for building administrators.
Lenovo P15 (GPU)	CDW-G	5	\$1,530.00	\$7,650.00	This is the lowest bid
Lenovo ThinkStation P360 (GPU)	CDW-G	5	\$1,126.29	\$5,631.45	This is the lowest bid
Lenovo ThinkStation P360 (Non-GPU)	CDW-G	5	\$1,179.98	\$5,899.90	Out of the two vendor's who placed bids, one of the vendors bid a different model than what we requested. In an effort to keep our environment simplified with minimal devices we are going with this model which we already have in district
eSports Desktop	CDW-G	20	\$1,409.28	\$28,185.60	This includes a 3 year warranty versus the other vendor that only has a 1 year warranty. These 20 devices would be 10 at each high school.
ChromeOS License	CDW-G	2000	\$31.00	\$62,000.00	These will cover the number of new devices we are ordering.
			Total Amount	\$931,826.70
