Dr. Allan Markley, Superintendent
Raytown School District
6608 Raytown Road
Raytown, MO 64133

Dear Dr. Allan Markley:

The tuition for the 2021-2022 school year will be set by the students who have applied, been accepted by HCC and been approved by the sending school. The enrollment as of May 15 stands at 137 students with 5 students attending both sessions. Tuition will be calculated based on the total of 142 sessions. The tuition for the 2021-2022 school year will be \$3,425 per student.

As of now, the Raytown School District's estimated tuition bill for the 2021-2022 school year will be \$486,350 for a total of 142 sessions. The statement of understanding is a commitment from your district to pay the tuition for this number of sessions even if students decide not to come to Herndon for the 21-22 school year. Your district may substitute qualified students to fill these spots if students decide not to take the classes. The actual tuition bill will be generated on September 15 to reflect any additional students that were added above the commitment from this statement of understanding. If additional students add prior to that date, the cost will increase by \$3,425 per session enrolled.

Enclosed please find a Statement of Understanding that needs to be sent back by June 25 acknowledging the anticipated tuition bill.

If you have any questions, please do not hesitate to contact me at (816) 268-7140. Thank you for your valuable time and continued support of Herndon Career Center.

Sincerely,

Dr. Cheryl Reichert, Director
