

Summer School 2023

I propose that RQS host a 20 day summer school session, June 1st-29th for students Pre-K through 12th grade (with no school on June 19th to observe the Juneteenth federal holiday).

- RHS and SHS students will attend RHS (7:15-2:20)
- RMS, SMS, and CMS students will attend SHS (7:50-2:55)
- BR will host students from NF and BR (8:30-3:35)
- SV will host students from WR and SV (8:30-3:35)
- FR will host students from LB and FR (9:05-4:10)
- LH will host students from EW and LH (9:05-4:10)
- SW will host students from RO and SW (9:05-4:10)
- NW will host students from RSA and NW (8:30-3:35)
- NT students will attend at NT (9:05-4:10)

I further propose that RQS purchase summer school curriculum for K-5 STEM and 6-8 ELA, Math, STEM, and Social Studies from Savvas.

Summer School Curriculum RFP Bidsheet

| Vendor | Savvas Learning Company | Catapult Learning |
|------------------------------------|--|--|
| Date & Time Received | 10/21/2022 10:31 am | 10/21/22 5:19 pm |
| Contact Person | Brigette Marshall brigette.marshall@savvas.com | Eric Gunlefinger eric.gunlefinger@fullbloom.org |
| Cost | \$125,959.68 | \$1,544,400.00 |
| Additional Services Offered | Asynchronous and virtual professional learning provided. | Marketing, Attendance Incentives, Regional representative |
