Mr. Easley,

Thank you for the opportunity to serve your "safety/security" training and consulting needs by allowing Strategos International to be of service in providing an "Online Active Shooter/Intruder Response Training for School Bus Drivers" to the Raytown Quality Schools. We hope that you find the training useful for your staff in both increasing their response capabilities as well as reducing anxiety with both staff and parents within the district.

ASSUMPTIONS:

- # of Participants & Training Schedule
 - Strategos will provide access to our "Online Active Shooter/Intruder Response Training for School Bus Drivers" for Raytown Bus Drivers to individually access during the training window of February 9, 2022 – February 14, 2022.
 - This training will be available for up to 70 transportation staff members @ \$35 per participant, for a total of \$2,450. (All additional participants over the 70 will be billed at \$35.00 per person.)
 - In January 2022, Strategos International will provide you access instructions to send to your individual bus drivers so they can access this course during the training window dates.
