Community Attributes

The School District of Washington is located in historic Washington, Missouri, a thriving community nestled on the banks of the Missouri River approximately 50 miles west of downtown St. Louis. It is one of the largest districts in the state in terms of area, covering 254 square miles, and hosts schools in three different counties: Franklin, St. Charles and Warren.

District Attributes

Each year, the School District of Washington serves over 4,000 students from all or part of six different communities: Augusta, Labadie, Marthasville, New Haven, Union and Washington. Its K-12 educational program features one high school, one middle school and seven elementary schools.

In addition to K-12 education, the School District of Washington also hosts the Four Rivers Career Center, a technical and trade school for students in the district and surrounding areas. The Early Learning Center combines early childhood special education, Parents as Teachers and all of the in-town preschools.

The School District of Washington is a premier educational center promoting lifelong learning, uniquely committed to the academic, physical, emotional and social well-being of all students. It excels in student achievement, the implementation of researched best practices, the continuous improvement process, the productive use of technology and partnerships with parents and community.

Mission Statement

The mission of the School District of Washington is to inspire achievement, character, and personal growth in all students as they pursue and succeed in college, careers, and life.
