Dear Parents,

Thank you for providing feedback about your child's school. We want to hear your thoughts on critical school issues, including academic support, student support, family involvement, school leadership, and safety and behavior.

This survey will take approximately 10 minutes to complete. All responses are strictly confidential.

If you have children in more than one district school, you will be able to take the survey again for a different school by clicking the survey link in the thank you message that will appear once you have submitted this survey response.

Engaging in an ongoing, two-way dialogue is critical to providing our students with the best possible education. I look forward to your feedback and sharing the results with you soon.
