**1. Purpose**

- 1.1 This agreement is entered into between the Missouri Department of Social Services, Children's Division (Department) and \_\_\_\_\_ (School District) for the purpose of setting forth terms and conditions to allow for reimbursement of transportation expenses incurred by the school district in an effort to maintain a foster child in their school of origin.
- 1.2 The Every Student Succeeds Act of 2015 (ESSA) requires that the parties collaborate to develop and implement procedures governing how transportation will be provided, arranged and funded to maintain children in foster care in their school of origin, when determined to be in the child's best interest through the mutual Best Interest Determination (BID) process.
- 1.3 Under ESSA, transportation procedures for children in foster care must ensure that:
- a. Children in foster care needing transportation to their schools of origin will promptly receive that transportation in a cost effective manner and in accordance with section 475(4)(A) of the Social Security Act; and
  - b. If there are additional costs incurred in providing transportation to the school of origin, the Local Educational Agency (LEA) will provide such transportation if (1) the local child welfare agency agrees to reimburse the LEA for the cost of such transportation; (2) the LEA agrees to pay for the cost; or (3) the LEA and local child welfare agency agree to share the cost. (ESEA 1112(c)(5)(B)).
- 1.4 This agreement addresses reimbursement of transportation expenses incurred by the school district(s) when the two agencies have agreed to share the cost of transportation (1.3(b)(3)).
