23-24 Selection for Online Learning Program

The Raytown C-2 School District was seeking software to support online learning solutions that include the following attributes:
- Students must have access to a broad array of core classes to gain high school credit recovery.
- The program should allow a student to complete the course independent of instruction.
- The courses must be accredited by a nationally recognized accrediting agency.
- The courses must be acceptable to most state and private universities as part of their admission process.
- The courses must be acceptable for credit within the guidelines of the Missouri Department of Elementary and Secondary Education.
- The courses must be acceptable for the NCAA Clearinghouse.
- The courses must have a level of rigor comparable to a similar course taught in the regular school setting.

Raytown received two submissions to the RFP for Online Learning Program:
- Schools PLP-
- Imagine Learning-Edgenuity-Course List
  - Quote

Results:
- Imagine Edgenuity received 85.7% of the respondents approval.
  - Feedback to support the decision:
    - Imagine Edgenuity is MOCAP approved, courses are NCAA approved.
    - Current districts using platform: Kansas City Public Schools; Lee's Summit R7 School District; Park Hill School District
    - Automated plagiarism checker
    - One click modification to support students who have an IEP or 504
    - Credit recovery version is self-paced and designed for independent work

Proposed Cost:
- $75,000 for 6-12 district use for all courses
- $10,950 for 6-12 on-demand tutoring
- $106 per student course enrollment
- $275 per student for state-certified teacher taught courses
- $750 for concurrent enrollment

**Final costs will be determined at a later date due to the current status of still hiring of teachers.
