### **Sale, Rental or Lease of Real Property (Real Estate)**

No elected or appointed official of the district shall perform a service or sell, rent or lease any real property to the school district for consideration in excess of five hundred dollars' value per transaction or five thousand dollars' value

per year to him or her, to his or her spouse, to a dependent child in his or her custody or to any business with which he or she is associated unless the transaction is made pursuant to an award on a contract let or sale made after public notice.

## **Employment**

The district shall not employ board members for compensation even on a substitute or part-time basis. The district will not accept applications of employment from board members, consider board members for employment or decide to employ board members while they remain on the school board. Board members may provide services on a volunteer basis.

## **Independent Contractor Services**

No elected or appointed official of the district shall perform service as an independent contractor for consideration in excess of five hundred dollars' value per transaction or five thousand dollars' value per year to him or her, to his or her spouse, to a dependent child in his or her custody or to any business with which he or she is associated unless the transaction is made pursuant to an award on a contract let or sale made after public notice and competitive bidding, provided that the bid or offer accepted is the lowest received.

## **Businesses That Employ Board Members**

A board member may participate in discussions and vote on motions for the district to do business with entities that employ the board member as long as the business is not owned by the board member and the board member will not receive any financial benefit from the transaction. The board member may need to submit a statement of interest as described below.

## **Statement of Interest**

Before voting, board members who have a substantial personal or private interest in a decision before the board shall provide a written report of the nature of the interest to the board secretary. The written statement will be recorded in the minutes. Board members who have disclosed the interest in a financial interest statement filed or amended prior to the vote will be in compliance with this requirement.

## **Self-Dealing**

1. Board members may not act or refrain from acting by reason of any payment, offer to pay, promise to pay or receipt of anything of actual pecuniary value, whether received or not, to themselves or any third person. This includes a gift or campaign contribution made or received in relationship to or as a condition of the performance of an official act.
2. Board members shall not favorably act on any matter that is specifically designed to provide a special monetary benefit to them, their spouses or dependent children in their custody.
3. Board members will not use their decision-making authority for the purpose of obtaining a financial gain that materially enriches them, their spouses or dependent children in their custody by acting or refraining from acting for the purpose of coercing or extorting anything of actual pecuniary value.
4. Board members shall not offer, promote or advocate for a political appointment in exchange for anything of value to any political subdivision.
5. A board member will not attempt to directly or indirectly influence or vote on a decision when the board member knows the result of the decision may be the acceptance by the district of a service or the sale, rental or lease of property to the district and the board member, his or her spouse, dependent children in his or her custody or any business with which the board member is associated will benefit financially. If such a transaction is presented to the board, the board member will abstain and leave the room during any deliberation.

## **Gifts and Gratuities**

Board members and others who are subject to this policy are prohibited from accepting gifts or gratuities in excess of the amount established by the board from any vendor, vendor's representative or person who does or is

attempting to do business with the district. Gifts and gratuities include, but are not limited to, money, personal property, free meals, tickets to events, travel expenditures and games of golf. Door prizes and other randomly awarded prizes, such as those awarded from raffles or other fundraising events, are not considered a gift or gratuity.

## **Use of Confidential Information**

Board members shall not use or disclose confidential information obtained in the course of or by reason of their official capacities in any manner with intent to result in financial gain for themselves, their spouses, dependent children in their custody, any business with which the board member is associated or any other person.

Even when there is no financial gain involved, failure to keep information confidential violates board ethics and board policy and could also violate state and federal law.

## **Nepotism**

Board members shall not vote to employ or appoint any person who is related to them within the fourth degree by consanguinity or affinity. In the event that an individual is recommended for employment or appointment and the individual is related within the fourth degree to a board member, the related board member shall abstain from voting and shall leave the room during consideration of the question and the vote, unless the motion is part of a consent agenda and there is no discussion, in which case, the member need not leave the room but will refrain from voting.

For the purposes of this section, to "employ" includes hiring persons to be employees of the district and approving independent contractors who provide services to the district.

## **Financial Interest Statements**

The board hereby adopts a policy establishing and making public its own method of disclosing financial interests of board members, candidates and specified administrators, in accordance with law. Financial interest statements (also known as personal financial disclosure statements) as described below shall be filed with the Missouri Ethics Commission (MEC) and the district board on or before May 1 for the preceding calendar year, unless the person filing is a board candidate. Candidates must file their reports within 14 days after the last day to file for office. The reports will be made available for public inspection and copying during normal business hours.

This portion of the policy dealing with the financial interest statement will be adopted in an open meeting at least once every other year by September 15. A certified copy of this policy shall be sent to the MEC within ten days of adoption.

### ***Board Member Disclosure***

All school board members and candidates for school board will file the short-form version of the MEC's financial interest statement each year. This form is also known as the "Financial Disclosure Statement for Political Subdivisions." School board members and candidates will report the following transactions if they occurred during the previous calendar year. If no such transactions occurred, the board member or candidate will still file, but will mark the items as not applicable.

1. Each transaction in excess of \$500 per year between the district and the individual or any person related within the first degree by consanguinity or affinity to the individual. The statement does not need to include compensation received as an employee or payment of any tax, fee or penalty due the district and other transfers for no consideration to the district. The statement shall include the dates and identities of the parties in the transaction.

"First degree of consanguinity or affinity" includes parents, spouse or children by virtue of a blood relationship or marriage.

2. Each transaction in excess of \$500 between the district and any business entity in which the individual has a substantial interest. The statement does not need to include any payment of tax, fee or penalty due the district or payment for providing utility service to the district and other transfers for no consideration to the district. The statement shall include the dates and identities of the parties in the transactions.
