

RQS Board of Education Study Session

Strategic Planning Update

Dr. Anthony L. Moore
September 25, 2023

Board Goal Alignment Update

Goal 1 Continuous growth towards mastery and improvement for every student through relevant and rigorous curriculum and instruction.

Goal 1.1 Student Achievement and College/Career Readiness

Board Goal Alignment Update

Vision Area: Learning

Vision Objective: Meaningful student work will be grounded in culturally responsive connections to the world.

Deliverable: Identify and communicate attributes of meaningful, culturally relevant teaching practices and student work by level (elementary, middle and high school) as part of district

Board Goal Alignment Update

Plan #2 Project Title: Create a resource bank of culturally responsive and culturally relevant teaching practices and potential K-12 student projects to be posted on the Curriculum Hub.

Progress: *Define Culturally Responsive Teaching, Identify Culturally Responsive Teaching Resources, Collaborate with Curriculum Coordinators and C& I Director, Review Culturally Responsive materials available on our Curriculum Hub, etc*

Project Goal

By May 2024, 20 Culturally Responsive and/or Culturally Relative Teaching resources and/or student projects will be posted on the Curriculum Hub for each grade level (elementary, middle and secondary)
