Attached you will find a copy of your approved American Rescue Plan Homeless Children and Youth I Grant. The amount listed below is the approved grant award:

American Rescue Plan Homeless Children and Youth I \$100,000.00

September 30, 2024 is the project completion date. Funds may be used only for the items and amounts approved in the original grant. The Final Expenditure Report is due on October 31, 2024.

Each eligible recipient serving as a fiscal agent will be responsible for submitting budget amendments, payment requests and Final Expenditure Reports to DESE through ePeGs. To use ePeGs, district personnel must have a User ID and password for the American Rescue Plan Homeless Children and Youth Grant. The district may access a copy of the DESE Web Systems User ID Request Form [here](#).

Currently, we are in the process of loading your budget information into ePeGs. I will notify you as soon as this is complete.

As a reminder, consistent with previous relief funding streams, DESE cannot disburse any ARP HCY I funds until appropriation authority is provided in the state budget. There is currently no established timeline for these appropriations.

Please refer to the American Rescue Plan Homeless Children and Youth I Guidance for other important information about this grant [here](#).
