

## Secondary School Monthly Update to Board of Education

---

*February 2018*

### Southland CAPS

#### **Academic Focus**

- 2018-2019 Application is open and accepting applications.
- Students have begun implementation of passion projects.
- Students who have been placed in internships have been off to a great start.
- Business partner projects have resumed for students not in internship.

#### **Business/Community Focus**

- We have several students who have been placed in internships. Some of the locations include: The Kansas City Zoo, Heartland Therapeutic Riding, Grain Valley Animal Hospital, KC Pet Project, Belton Veterinary Center, Kennedy's Animal Clinic, Ravenii, Nonstop Networks, Raytown Technology Department.
- Continuing efforts to find internships for students who are still interested.
- In anticipation of our new courses, we have begun laying foundations for Environmental Planning and Awareness and Education Exploration.
- We hosted lunchroom tables or presentations at Raymore High, Belton High and Ruskin High to answer any questions about CAPS and Herndon.
- Career Night was held on January 25. Teachers and students came to represent their programs.

#### **Upcoming School Events**

- Meet the Teacher – May
