Dear Dr. Pyle,

Please accept this letter as the B.I.S.T. consulting statement for the **2018-2019 School Year**. The total cost for B.I.S.T. services for Raytown School District is **\$ 34,125.00**.

Next year this will include:

- Every other month at the elementary schools, the consultant will meet and support new teachers. On the off months, the consultant will meet and discuss BIST Philosophy with grade levels and teams.
- Additionally, participants attending training will receive a discounted rate of \$ 135.00, as well as BIST will provide on-site trainings specific for Raytown as the need is determined.
- Also, BIST will provide new teacher training in August, if so desired.
- Approximately 468 hours of consultation provided thus far in 2018-2019 school year.
- Additional staff trainings have been accommodated for certificated staff to reach our goal to get all certified staff trained by the start of 2018-2019 school year.
- Additional leadership trainings provided this school year 2018-2019, per our request.

During the term of this agreement and for one year after the termination of this agreement, except with the written consent of Cornerstones of Care, the district shall not, directly or indirectly, employ or otherwise contract with any employee of Cornerstones of Care who has provided B.I.S.T. consultation services to the district during the term of this agreement, where the duties of such Cornerstones of Care employee would include providing training to teachers of the district in managing behavioral and disciplinary problems involving students of the district.

The B.I.S.T. Staff Members are looking forward to working with you during the coming school year. I know many exciting things will be accomplished.

Please sign and date the below statement and return this original copy to my attention at Cornerstones of Care. This letter, when returned, will act as our signed contract.
