Mrs. Johnson-Berry-

- I recently had the opportunity to attend the Board Retreat, where I gained valuable insights into our district's strengths, future plans, and priorities, as well as a helpful refresher on legal considerations. It was a productive experience that left me feeling energized about the direction we're heading.
- I also had the pleasure of attending the Theater Arts department's production of *Little Shop of Horrors*. The students' talent and dedication were absolutely remarkable, and the show exceeded all my expectations. This musical has always been on my list to see, and it was truly worth the wait!
- In the spirit of the holiday season, I've adopted a 5th grader for the Southside Christmas event. Supporting our students in meaningful ways is always a joy.
- Looking ahead, I'm honored to once again serve as a judge for the RHS Speech and Debate Tournament. It's a highlight of my year to witness the incredible talents of our students, and I'm excited to see what this year's participants will bring to the table.
