

Raytown Quality Schools Board Presentation

Shannon Spear
Director of School Relations

Waterford at a glance

Agenda:

- Engage students in explicit instruction
- Empower families with personalized support
- Equip educators with a proven program

Waterford is non-profit organization, and we provide a supplemental early learning program uniquely designed to engage PreK–2 students with explicit, systematic instruction in reading, math, and science in an adaptive learning path.

The Student Experience

Engage students in explicit instruction

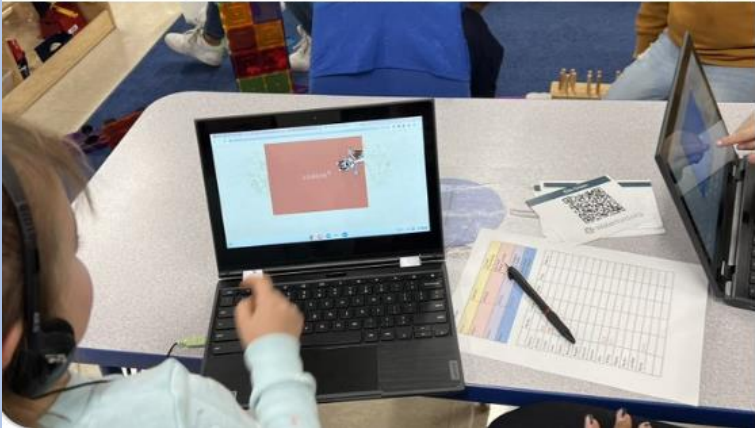

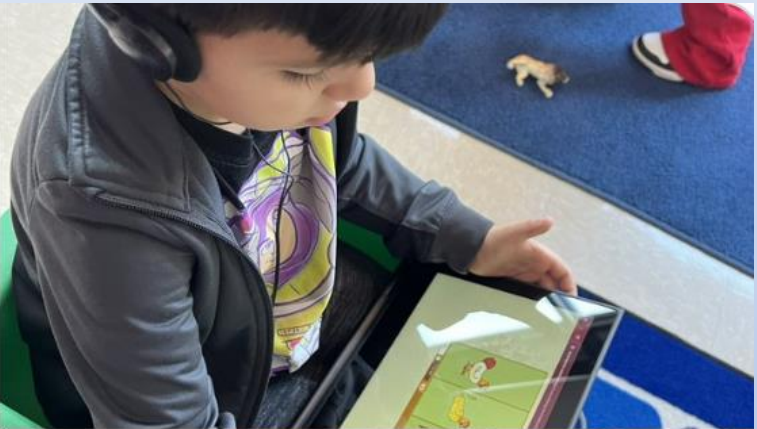

- Rooted in research
- Makes learning fun
- Develops skill proficiency
- Incorporates inclusive, rich stories

“The characters of it, the visual of it, the amazing bright colors, the fun characters that make kids want to learn. Because we know the more fun that it is, the more kids can relate to it and the more they’ll get out of it.”

Yolanda Lewis
Wichita Falls ISD Teacher

Three Trails in action on Waterford

How children learn

How do young children acquire, retain, and recall information?

mnemonic devices

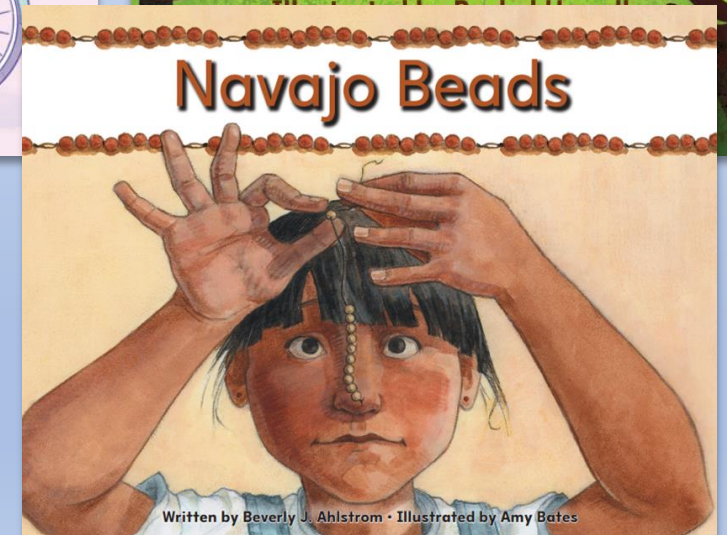

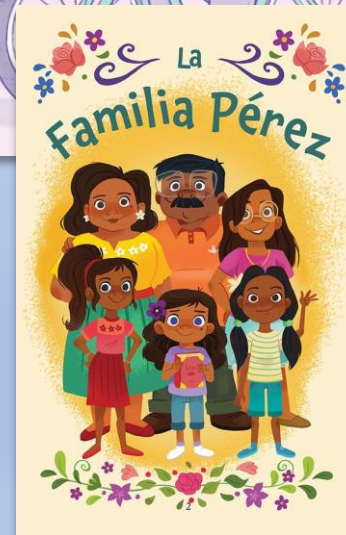

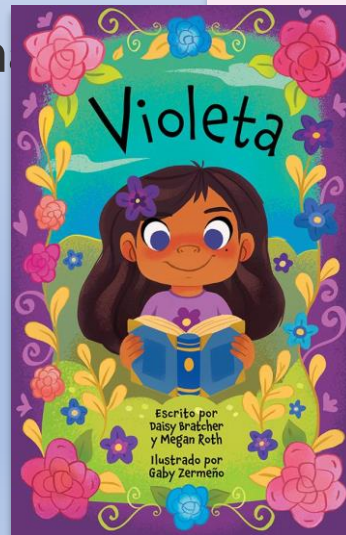

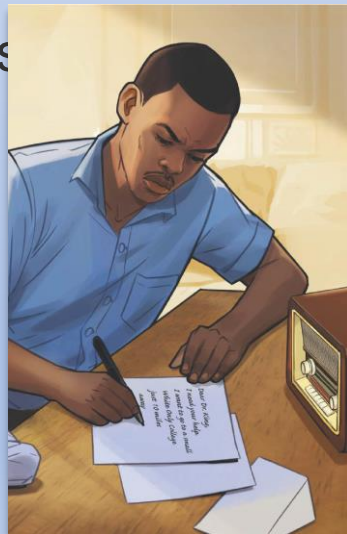

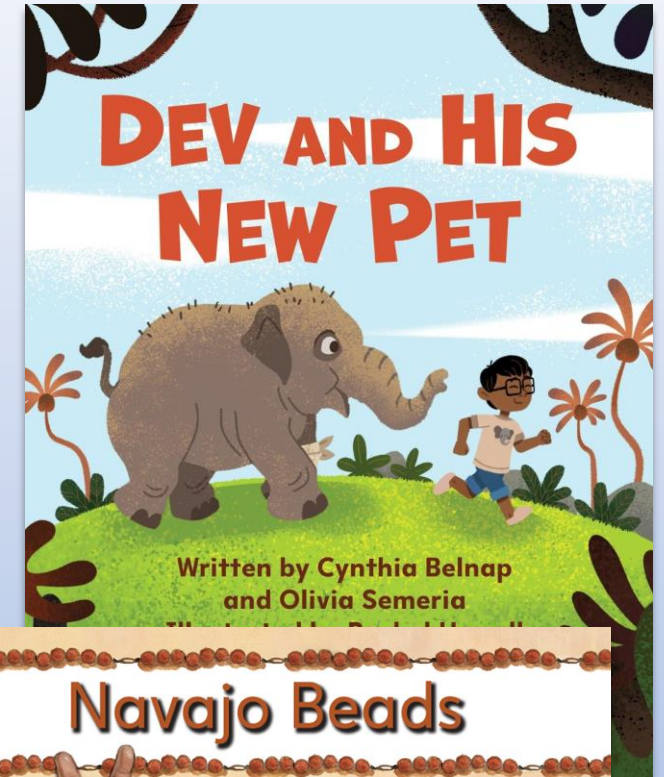

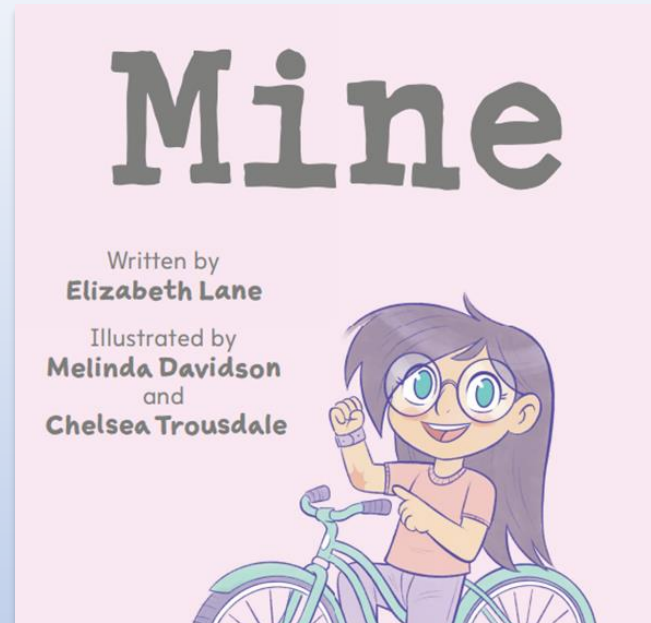

songs

stories

Positive cultural representations

- 300+ authentic texts in English and Spanish
- Broad representation of cultures and countries
- Exposure to Spanish and other languages

The Family Experience

Empower families with personalized support

- Personalized family progress updates
- Resource library in English and Spanish
- Digital books in English and Spanish

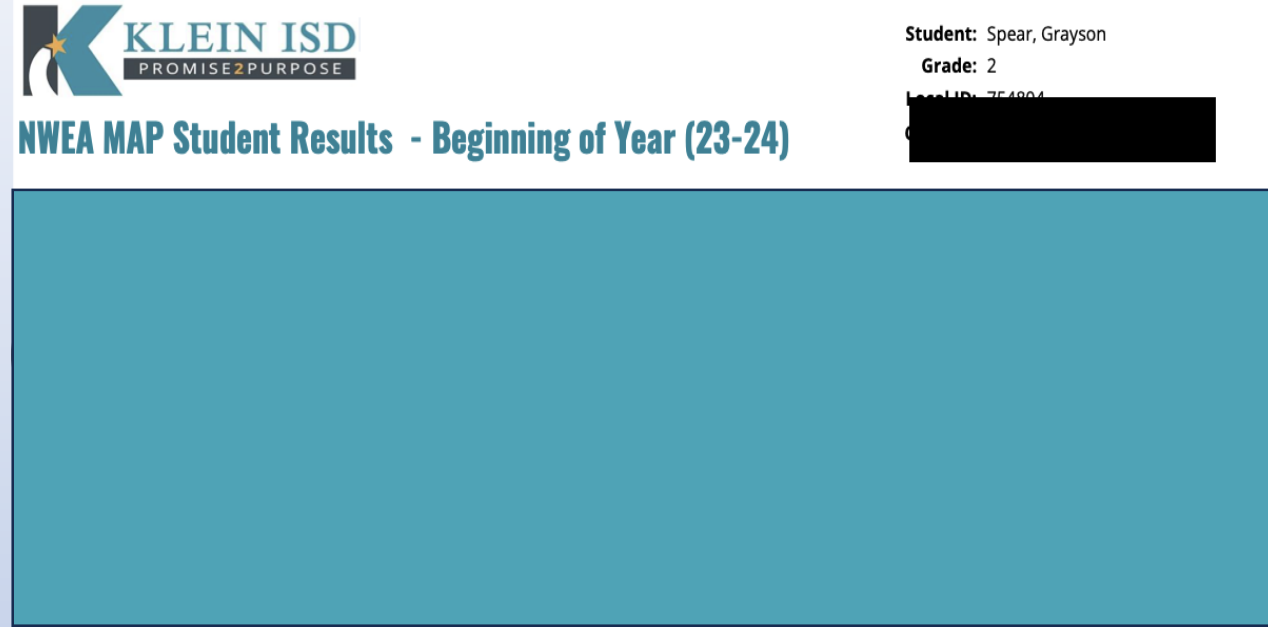

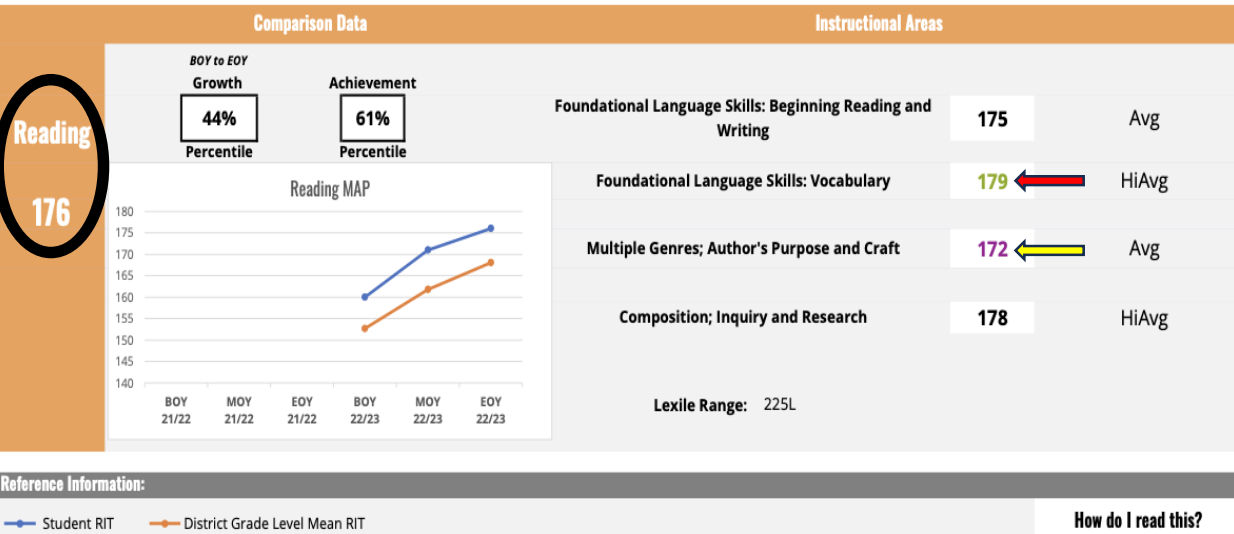

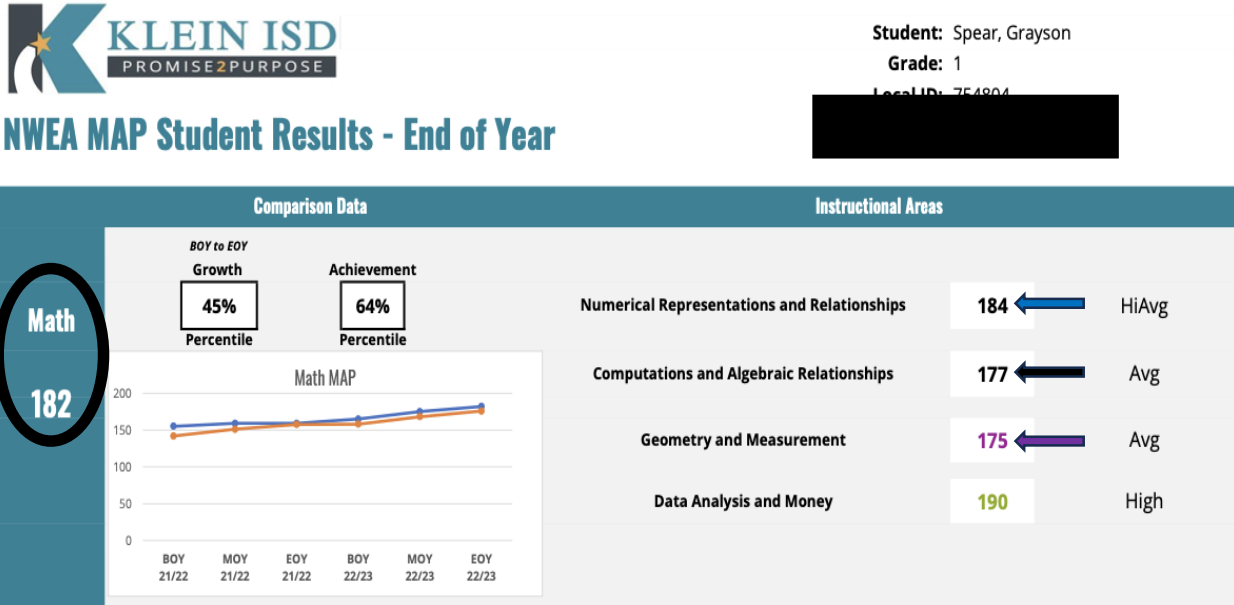

“I love the idea of bringing tools to parents so that they can engage in meaningful ways with their children—building capability and skills in their children that are going to serve them, really, for the rest of their lives.”

Frank Edelbut
New Hampshire Commissioner of Education

My Waterford Early Learner

Avoid the Summer Slide

Integrate into classroom routine

- Literacy centers / stations
- Teach new concepts via whole group
- Differentiate support via small groups
- Personalize individual support
