Dr. Allan Markley, Superintendent  
Raytown School District  
6608 Raytown Rd.  
Raytown, MO 64133

Dear Dr. Allan Markley:

The tuition for the 2022-23 school year will be set by the students who have applied, been accepted by HCC, and been approved by the sending school. The enrollment as of June 6 stands at 528 students with 22 students attending both sessions. Tuition will be calculated based on the total of 550 sessions. The tuition for the 2022-23 school year will be \$3,500 per student.

As of now, the Raytown School District's estimated tuition bill for the 2022-23 school year will be \$577,500 for a total of 165 sessions. The statement of understanding is a commitment from your district to pay the tuition for this number of sessions even if students decide not to come to Herndon for the 22-23 school year. Your district may substitute qualified students to fill these spots if students decide not to take the classes. The actual tuition bill will be generated on September 15 to reflect any additional students that were added above the commitment from this statement of understanding. If additional students add prior to that date, the cost will increase by \$3,500 per session enrolled.

Enclosed please find a Statement of Understanding that needs to be sent back by June 28 acknowledging the anticipated tuition bill.

If you have any questions, please do not hesitate to contact me at (816) 268-7140. Thank you for your valuable time and continued support of Herndon Career Center.

Sincerely,

Dr. Cheryl Reichert, Director
