

2019-2020 Examples of Teacher Comments - Student Discipline

Secondary Examples

Buddy Room or Recovery

- Refusing to follow directions-responding inappropriately.
- Talking, not following adult directions, arguing.
- Told a student to "Shut the F--K up!"
- While the teacher talked, Student A talked with other students. He was reminded to be quiet. After he continued to talk, he was told to go to safe seat. While in the safe seat he continued to talk with his classmates. He was then sent to buddy room.

ISS

- Boys have been making unkind comments to one another for awhile; yesterday it got physical when they slapped each other (2 days)
- Intentionally squirting water on the hallway floor, refused 2 teachers directions when asked to stop, refused to walk to Recovery, teacher had to call Officer for an escort (2 days)
- Poured water on another student's head at dismissal. This almost resulted in a physical altercation between the two but adults were quick to intervene. (3 days)
- Student was asked to comply with dress code and remove his hoodie. Student refused to do so and became verbally abusive towards staff. Guardians called. Student finally complied. He will remain in IR for 3 days for prior offense on 11/20.
- Students were horse playing in the halls. Students were acting as if they were fighting. When teacher called out to the students they ran away and was caught in the other stairway.

OSS

- Student was in the office asking to sign out. Upon procedure being explained, student got upset and said to the assistant principal and attendance secretary that they were just being assholes about the situation and he just wanted to go home and get out of this fucking place. He was on the phone with his grandmother telling her how dumb this shit was. At that point the assistant principal escorted student to their ride in the parking lot and spoke to grandmother on the phone to get permission for his sister to take him home. (1 day)
- At 11:20 a.m. as students were transitioning from the cafeteria back to their classroom, Student J grabbed another student by his jacket and forcibly pushed him into a wall at the top of the main entrance stairwell. He then proceeded to continue to control student by grabbing his jacket and pushing him down the stairs. (3 days)
- An attempt was made to conduct a mediation with Student A and another female student she had a verbal confrontation with on 10/24. During the mediation Student A attempted to physically assault the other student, and eventually did strike the student in the head while being restrained. In preventing from further assaulting the

student it took the assistance of several staff members to physically restrain her. Student A struck staff and continued to make verbal threats directed at both staff and student. (5 days)

- Student came to school upset and teacher saw that she was upset so she told her to sit and wait for Assistant Principal. Student left the office and went to the 2nd floor hallway looking for another student who was informing people that she was raped. Student said she knew she was going to get suspended so when her cousin dropped her off she did not bring any items to school. Student was not going to fight the male student but cuss him out. Student had spoken with parent about the situation. Student had to be restrained by security because she would not follow directions and was determined to go inside the class.~~This was a major disruption to the school day.~~~~(Long term suspension hearing)

Elementary Examples

Buddy Room or Recovery

- Refused to move when directed to safe seat after he left 3 kids he kicked them on the carpet.
- Refused to move to the safe seat. Blurting out and walking around saying "No".
- Hitting students in the back at the carpet.
- Hit another student at lunch
- Pounding the desk. Ripping things off the walls. Tried to shove kitchen furniture over.
- Refused to sit in seat. Ran around room and threw shoes at another student and myself.
