RAY OF HOPE HONOREES

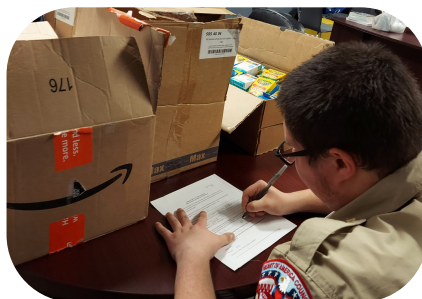

This month's Ray of Hope Honorees are the members of the Eastwood Hills Elementary PTA group, which is comprised of music teacher Jake Adamson, fourth grade teacher Amber Nieznajko, and parents Clay and Candice Taylor.

Eastwood Hill's PTA group has been hard at work for the past two years raising funds for the purchase of a school vending machine. Not just any vending machine – a book vending machine!

The PTA group worked alongside their school community to accomplish a readathon and fun run fundraiser last year. The funds from those fundraisers were used to purchase the vending machine.
