<b>Other Suggestions for the Use of CARES Act III Funds / Otras Sugerencias para el Uso de los Fondos CARES Act III</b>
School wide incentive program
HVAC upgrades
Extra sanitation services
Better lunch and breakfast options
I would like to clarify the staff salaries—my vote is to increase TEACHER and IA pay. Not administration or central office staff.
Extra reading classes
The most important thing a child can have is literacy, everything else exists after that.
N/A
Supply for schools and other educational programs
Open more PreK
More hot-spot devices
As a teacher in another district, give the teachers a bonus.
Expanded summer school options
Air-conditioning on all busses.
Rubber tracks at the middle schools would be nice means we just put money into fixing all the cracks in the asphalt.
Cleaning supplies
Safety of facilities due to COVID variants
Anything needed for sports, band, choir ect wouldve been my #3 but not listed... kids need those activities and clubs
Anything
N/A
Parent classes to help students with work.
Help with back to school fees
None
education on adapting to online learning for staff
Diversity training as it pertains to students with seen/unseen disabilities and how to be more inclusive within the building/classrooms.
Please reduce class sizes. My son did don't get the frame level of attention in kindergarten that he got in preschool and I noticed a difference in his behavior and connection with his teacher was lacking
School supplies
Invest in HEPA room purifiers for every classroom. The CO2 readings I had last year were not low enough which means our ventilation was not adequate. With improved filtration, we reduce virus in the air and keep students and staff in the classroom.
Free lunches for the entire district
No
Facility improvements, more activities for kids to participate in.
Más apoyo por estudiantes hispánicos con discapacidades
Funds for school libraries to order and replace books that were lost during Covid.
ALL STAFF need a huge raise! Not just admin and teachers. I think the classified and staff that keep the school going get overlooked
Expansion/addition of training of ALL instructional staff as to how to accommodate the additional needs of children with IEP's and 504's.
Supplies
ventilation in the classrooms and some vinyl protector for each seat
Make sure ALL students attend full time every day

American Rescue Plan Elementary and Secondary Schools Emergency Relief Funds III (ARP ESSER III)

August 4, 2021

reduce school meal costs
Recruit and retain qualified teachers.
Additional science instruction
None at this time
When I choose supplies I mean, that teachers should be able to use the money for the things they want/need in their classrooms.
More Counselors at the elementary & secondary levels
Additional math support, extended Summer School offerings
Libraries
School Supplies
Education of staff—helping those who are not certified become certified.
Anti bullying & sensitivity training for teachers. LGBT education for teachers & staff to help students
Increased access to technology
I support whatever teachers think are biggest needs. Ask them what they think, they're dealing with the fallout.
masks
Invest in quality virtual resources
None
Give to the families of our students to buy supplies. Or free lunch for all.
Improve lunches- lower sugar content (breakfast especially), farm-to-table organic food. Eliminate processed foods. Healthy eating would build stronger immune system and has been shown to improve behaviors, test scores and attendance (fewer illnesses). <a href="https://foodrevolution.org/blog/school-lunch-in-america/">https://foodrevolution.org/blog/school-lunch-in-america/</a>
Afterschool academic support
N/A
N/A
Tinner Young
Expanded Challenge opportunities in home schools
None
Staff salary increases
Provide extra pay for teachers to instruct online students that are high risk to return to school
More opportunities for kids to connect through clubs and activities.
In person attendance incentives for students.
Free lunches, prisoners get them. Our students should too
Air filtration system, staff support
None
Emotional support for teachers
Yes
Open more elementary in inter city
I just want to make sure that my kids, as well as all the other kids in the district, have what they need to recover(academically, emotionally and socially) from this pandemic.
Better school lunch
Educational Field Trips
N/A
New furniture in classrooms/ flexible seating/ tables
More support staff to assist with instruction/behavior support

American Rescue Plan Elementary and Secondary Schools Emergency Relief Funds III (ARP ESSER III)

Pay teachers more
More Than one meal
Purchase new books for classroom libraries.
No
Parent education, related to remote instruction
New classroom furniture such as flexible seating and tables
Pay the teachers and staff Show them you apply their hard work and reduce class size smaller classes equals better instruction
None
Smaller classes and access to libraries
Increase pay/stipends for teachers that are working/risking their health through the pandemic!
Increased classroom cleaning supplies to insure safety throughout the school.
Floor prep machines
Power gate for Safety Center.
Increase pay for full and sub classified positions to compete with neighboring schools such as Lee's Summit and Blue Springs.
More Tutoring
Students will only do as well as the teachers and staff are doing. I think supporting all Raytown employees as they support students would be a good use of funds. Teachers need to address their mental health so they can be there for sudents.
Uses for children who are struggling and needing additional school time to catchup and complete work.
more after school programs for middle school kids.
none
Custodial training on how to properly clean and sanitize.
Add back the assistant principal at Raytown school.
Not at this time.
Please use these funds to compensate your teachers and staff for all the hard work and dedication they have given our children during the pandemic. There's no way we could ever truly repay them but this would be a start
Dedicated residency investigator
Use as a bonus for teachers and staff that are still here and was here during the pandemic. We deserve it.
Free Lunches for all students
Bonus for teachers and staff that are still here!!
Security
We need at least 1 social worker per middle school to help with student low attendance and deal with emotional/social problems. An extra counselor would be helpful too.
We need better access to technology that wont kick us off numerous times daily.
Better snack packs
One time stipend to all staff who remained at Raytown Schools through COVID
special education resources
Teachers have given so much and it is well past time for them to receive appropriate compensation for their work.
Early Childhood Summer School
Nuremburg ACT. Stop using coercion
Any help that will aid teachers
none
Implement district-wide recycling program and break ground on gardens at every school.

na
None
Would be nice to have a free lunch for all the students.
Training and better equipment for classroom floors
increase entry level wage to a living wage of \$18.25/hr.
Help pay for added subs/leave
Better food quality.
Compensate the staff for their efforts!
More funding for all levels of special education. More certified special ed teachers
None at this time
n/a
Trainings on implementing Restorative Justice practices
Universal screener for equitable identification of gifted students
I believe that there should be more student/staff activities such as faculty basketball games between school staff for the kids entertainment and social involvement with staff which in turn creates school pride.
It would have been nice for the food service to receive a small monetary appreciation for sitting outside in the elements all year serving curbside meals. We would do it without, and we did because we love the kids, I'm just saying...it would have been nice.
More time for kids to learn all objectives that need to be achieved before moving up in grades.
Covid protection supplies
None
As an elementary teacher this past year, it was a difficult time. Salary advancement would increase morale across the board. Elementary teachers should receive a pay raise/bonus for what we went through this past year being in person for the majority of the school year.
After school activities
All staff salaries
Do not agree with funding
Seatbelts for buses
no if you pay our amazing ye a hers what they deserve give them the supplies they need and reduce class sizes it gives kids more one on one less time for covid exposure and teacher not demoralized because they are respected and provided what they need to succeed
More gym equipment
None
None
We must prioritize retaining staff in order to help students learn and grow
add to classroom budgets
Supplies, then teacher salaries
Replace water fountains with water bottle filling stations
Elementary teachers did an amazing job last year with all the challenges that came their way. They deserve whatever extras you can provide for them.
When I say supplies for schools I mean that furniture replacement should be treated like curriculum. I have been using tables original to the building which is more than 50 years old.
District-wide free lunch
None
Get rid of teachers n counselors that cant apologize to students when they mess up
Nothing
Provide breakfast and lunch for all students.

American Rescue Plan Elementary and Secondary Schools Emergency Relief Funds III (ARP ESSER III)

 August 4, 2021

Free lunch and breakfast for all kids
Increased special needs and edgication supports are most needed ecspecially for virtual. And better training for virtual since it never worked out and kids have no actual teaching going on
Extra income for those who worked all the way through the pandemic, while others got paid to stay home
Make sure children at a very young age in elementary are identified for learning disabilities that affect reading and learning such as dyslexia.
Identify dyslexia early for all students and have help in school to combat this. Students struggle to read and or write and spell that will impact their entire education
Water bottle filling stations instead of water fountains
Activities/Extracurricular
we need this
Supplies for teachers
Supplies for teachers
Feeding kids at school a single parent may look good on paper but not really have enough money
School supplies
Highly trained counselors to help with social and emotional support for the staff and students. Cognitive behavioral therapy for emotional regulation. Also need to teach the staff that attempting to indoctrinate another person's child is highly frowned upon so keep their personal political opinions to themselves do not discuss them in classrooms that's when fights start and hate starts spewing. .
To safely reopen the schools and maintain its operations and the impact of COVID 19.
None
More support for those kids that have an IEP and need additional help. We know schools receive additional funding for each special needs kid they serve but do not even see where that money goes. Frustrating because all last year we were the teacher.
Provide education for children who are being bullied as well as the ones who are bullying
working hard at helping your kid there at the school
Social and emotional help for students.
Teacher, technology funding to aid in the option for more virtual education.
Supplies for schools
Smaller class size for special needs children
Supplies for the classroom
Music programs and field trips
Use funds to incorporate full time social workers in every building.
Full time social workers in elementary schools
Home visit support for parents and families.
tutoring
None
Staff (Teachers & Support Staff) have been under so much stress and pressure this past year as well as the unknown for the upcoming year - extra money divided up as a stipend would be a reassurance about the district's concern for well-being of their staff.
<b>HIRE MORE CORE TEACHERS</b>
I believe it should go to more in home learning expenses
Rwduce class size for more personalized attention
ventilation/masks/covid testing on site (basically any safety measures)
Hire additional school counselors to be in compliance with MSIP 6's 250:1 student-counselor ratio
Keep our kids safe
Gift cards for price chopper or other grocery stores for families that don't qualify for SNAP or PEBT
