Good Afternoon,

Attached and below is information regarding a Raytown SD project we would like to get posted to plan room by the end of day if possible. I have attached the drawings, specs and bidding information for the project. Similar to the 2023 upgrades, we would like to track and receive full reports back regarding the diversity tracking.

Raytown SD – Raytown Middle Schools AV upgrades

Good Afternoon Ruby,

We would like to track and receive full reports back regarding the diversity tracking for bidding projects on a couple more projects we would like to post in the next couple days. Scott Mead with Newkirk and Novak will be reaching out to you on posting information and reports. Scott is copied on this email, but could you please confirm cost and information needed to set this up for these pending projects?

Thank you Ruby!
