AGREEMENT FOR PROFESSIONAL SECURITY SERVICES**

**Exhibit "A"
Services to be Provided**

1. Assigned Officer(s) will provide a visible deterrent for acts of violence against students, staff, and visitors. Respond appropriately to end an active violent attack against students, staff, and visitors. Take the necessary actions to prevent unauthorized entry to the school building while on duty.
2. Assigned Officer(s) will provide a visible deterrent for property crimes against the client, which include criminal mischief making, graffiti, larceny, burglary, criminal tampering, trespass, criminal trespass, and misapplication of property. The terms are limited to the property of the client, so long as the property is located within the geographical area listed in Exhibit "B".
3. Assigned Officer(s) will alert and coordinate with the proper law enforcement authority in the instance of any criminal incident immediately, and promptly notify Client's designated contact person of such activity. Client shall from time to time provide Homeland Security Protective Service with written designation of the contact person(s) and the contact information for those individuals.
4. Assigned Officer(s) will record all unusual security related events via Homeland Security Protective Service's reporting system. All Statements, Reports, or Written Documentation completed and submitted by the officers will be submitted and approved by the Homeland Security Protective Service Supervisor prior to being provided to School Administration, District Administration, or Law Enforcement.
5. Assigned Officer(s) will respond upon request of Client or Client's employee to any security related event in most circumstances unless unreasonable to do so by either industry standards, Local Ordinance, State Statute, or United States Code.
6. Assigned Officer(s) will assist School Administrators in maintaining safety and discipline of students.
7. Assigned Officer(s) will be dressed in the approved uniform, shall carry such equipment as shall be deemed reasonably necessary, and receive training as designated by the client and Homeland Security Protective Service for the effective discharge of the services to be provided. This activity will be billed at a rate of eight (8) hours for each day, for a total of forty (40) hours per week.
10. School Administrators must communicate directly with the School District Central Office and the Homeland Security Protective Service Supervisor for administrative, staffing, or scheduling issues. Administrators will never communicate directly with any officer regarding schedule questions or issues. When providing security officers for special events there will be a minimum of 48 hours' notice to the School District Central Office and the Homeland Security Protective Service Supervisor in writing by email. If Homeland Security Protective Service does not receive at least 48 hours' notice and provides security officers to fill the requested position(s), Client agrees to compensate Homeland Security Protective Service at the overtime rate for officers. Regardless of notice, in the event that a School Administrator requests a designated school officer, Homeland Security Protective Service will make every effort to meet this request. This will require Client to compensate Homeland Security Protective Service at the overtime rate for these officer requests.
11. School Administrators and employees will understand that this contracted company directly employs the officers, and that any school district administrator does not have full authority to direct any officer to complete any duties unrestricted. The officers have an on duty company supervisor that will be contacted for clarification on any request given by an administrator if thought to be unreasonable or against State Statute or Company Policy.
12. School Administrators will communicate immediately in writing with the School District Central Office and the Homeland Security Protective Service Supervisor regarding all disciplinary complaints or performance concerns. School administrators and employees will understand that this contracted company directly employs the officers, and that any school district administrator does not have full authority to counsel or correct any officer. The officers have an on duty company supervisor that must be contacted for any issues or concerns regarding complaints or performance concerns and to administer any counselling or corrective action required.
