From: Dr. Robert Cordell
Raytown School District
Director of Student Support Services
10750 E. 350 Highway Raytown, MO 64138

Dear Donna Bushur,

The Raytown School District would like to express our sincere appreciation for the opportunity to accept \$75,000 in funding from the Health Forward Foundation. This one time monetary donation, will be used during the time period of July 1, 2022- June 30, 2023 for our discretion to address Mental Health Supports. Raytown Schools is planning a large scale professional development, 2022-2023, for twelve schools entire staff utilizing the Mental Health Supports of Trauma Smart Training. This will have a long-lasting positive impact to the staff, students and families of Raytown on how adverse childhood experiences impacts the development of the brain and its functioning.

The Trauma Smart Training will be conducted after school hours, once a month on our Wednesday Professional Development time and the funding will be used for the staff training. Health Forward's generous support to the Raytown School District will be wisely invested, supplement staff time for training, and enhance the professional development with our collaboration and partnership with Trauma Smart of Critten Children's Center. I will provide a 1-2 page written summarization of our mental health

training of Trauma Smart on June 1, 2023 to the Health Forward Foundation. This will highlight the results of your generous investment of funds to the Raytown Quality School District. Health Forward's investment of \$75,000 for mental health supports through Trauma Smart Training will leave a positive impact in our community.

The Raytown Quality School District is very thankful for the partnership and collaboration with the Health Forward Foundation. Thank you very much.

Respectfully yours,

Dr. Robert Cordell

Director, Raytown Schools

School District 2 Raytown

FY22-02964

Grant Start Date

Your grant award verification form has been successfully submitted for 2022 Mental Health Funding.

We will reach out to you if with any questions or concerns regarding the information you submitted.

If no additional information is needed, we will proceed to generate an electronic grant award within the next few days which will be sent to the email address provided for your Executive Director/CEO for them to execute electronically.

We look forward to partnering with you on this project!

- Health Forward Foundation
