Board of Education Raytown C-2 School District Raytown, Missouri

#### **Report on the Audit of the Financial Statements**

#### **Opinions**

We have audited the accompanying modified cash basis financial statements of the governmental activities and each major fund of Raytown C-2 School District, as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective modified cash basis financial position of the governmental activities and each major fund of Raytown C-2 School District, as of June 30, 2023, and the respective changes in modified cash basis financial position thereof for the year then ended in accordance with the basis of accounting in Note 1.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Raytown C-2 School District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Basis of Accounting**

As described in Note 1 of the financial statements, the financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 1; which includes the determination that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
  appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
  District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplementary Information**

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The accompanying Schedule of Receipts by Source, Schedule of Disbursements by Object, Schedule of Transportation Costs Eligible for State Aid, and the Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records

used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Receipts by Source, Schedule of Disbursements by Object, Schedule of Transportation Costs Eligible for State Aid, and the Schedule of Expenditures of Federal Awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

#### **Other Information**

Management is responsible for the other information. The other information comprises the budgetary comparison schedules but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 1, 2023, on our consideration of Raytown C-2 School District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Raytown C-2 School District's internal control over financial reporting and compliance.

Notes to the Financial Statements

June 30, 2023

## 1. Summary of Significant Accounting Policies

The District's financial statements are presented on the modified cash basis of accounting, which is characteristic of local governmental units of this type.

#### **Financial Reporting Entity**

The District is organized under the laws of the State of Missouri and is a primary government governed by an elected seven-member board. The District is not financially accountable for any other organization, nor is it a component unit of any other primary governmental entity.

#### **Basis of Presentation**

#### Government-Wide Financial Statements

The Statement of Net Position and Statement of Activities display information about the reporting government as a whole. They include all funds of the reporting entity. The statements present governmental activities generally financed through taxes, intergovernmental receipts, and other non-exchange transactions.

#### **Fund Financial Statements**

Fund financial statements of the reporting entity are organized into funds, each of which is considered to be a separate accounting entity. Each fund is accounted for by providing a separate set of self-balancing accounts that constitute its assets, fund equity, receipts and disbursements. The governmental funds of the District are all considered major funds by the Department of Elementary and Secondary Education.

The funds presented in the accompanying financial statements include all funds established under Missouri Revised Statutes and controlled by the Board of Education. The purpose of each fund is:

General Fund: Accounts for disbursements for noncertified employees, school transportation costs, operation of plant, fringe benefits, student body activities, community services, the food service program, and any disbursements not accounted for in other funds.

Special Revenue Fund: Accounts for receipts for certified employees involved in administration and instruction, and includes receipts restricted by the State for the payment of teacher salaries and taxes allocated to this fund based on the District's tax levy.

*Debt Service Fund*: Accounts for receipts restricted, committed, or assigned for the retirement of principal and interest on the District's general obligation bonds.

Capital Projects Fund: Accounts for taxes and other receipts restricted, committed, or assigned for acquisition or construction of major capital assets and other capital outlay as defined by State of Missouri statutes.

#### **Basis of Accounting**

In the government-wide Statement of Net Position, Statement of Activities, and the fund financial statements, governmental activities are presented using the modified cash basis of accounting. The modification relates to the presentation of investments and cost plus insurance related amounts due (see Note 14). This basis recognizes assets, net position/fund equity, receipts and disbursements when they result from cash transactions. This basis is a special purpose framework of accounting other than accounting principles generally accepted in the United States of America, as a result, these financial statements may not be suitable for another purpose.

Notes to the Financial Statements

June 30, 2023

As a result of the use of the modified cash basis of accounting, certain assets and their related revenues (such as accounts receivable and revenue for billed or provided services not yet collected) and certain liabilities and their related expenditures (such as accounts payable and expenses for goods or services received but not yet paid, and accrued expenses and liabilities) are not recorded in these financial statements except for the recording of investments.

If the District used the basis of accounting recognized as generally accepted, the fund financial statements for governmental funds would use the modified accrual basis of accounting and the government-wide financial statements would be presented on the accrual basis of accounting.

#### **Capital Outlay**

Capital outlay is recorded as disbursements in the Capital Projects Fund at the time the goods received are purchased.

#### **Compensated Absences**

Vacation time and paid leave time are considered as disbursements in the year paid. Certain amounts unused that are vested in the employee are payable upon termination at varying rates depending on type of termination.

#### **Long-Term Debt**

Long-term debt arising from cash transactions of the governmental funds is not reported in the government-wide financial statements or the fund financial statements, which is consistent with the modified cash basis of accounting. The debt proceeds are reported as other financing sources and payment of principal and interest are reported as disbursements.

#### **Teachers' Salaries**

The salary payment schedule of the District for the 2022-2023 school year requires the payment of salaries for a twelve-month period. Consequently, the July and August 2023 payroll checks are included in the financial statements as a disbursement in the month of June. This practice has been consistently followed in previous years.

#### **Pooled Cash and Investments**

Cash includes cash on hand and demand deposits, most of which are held in a pool. The Debt Service Fund holds demand deposits in a separate account as required by Missouri State Statutes. Investments are carried at cost, which is consistent with the modified cash basis of accounting. Some investments are held in pool accounts and income receipts are allocated to each fund based on weighted average balance. Cash is presented net of amounts due for the District's cost plus insurance contract.

#### **Inventories**

Inventories are valued at cost and consist of food and educational materials. The cost is recorded as a disbursement at the time inventory is purchased.

Notes to the Financial Statements

June 30, 2023

#### **Equity Classification**

In the government-wide financial statements, net position is classified in two components as follows:

Restricted net position: Consists of net position with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, or laws and regulations of other governments; or (2) law through constitutional provisions or enabling legislation.

Unrestricted net position: All other net position that does not meet the definition of "restricted."

It is the District's policy to first use restricted net position prior to the use of unrestricted net position when disbursements are made for purposes for which both restricted and unrestricted net position are available.

In the fund financial statements, governmental funds report aggregate amounts for five classifications of fund balances based on constraints imposed on the use of these resources as follows:

Nonspendable fund balance: This classification includes amounts that cannot be spent because they are either a) not in spendable form or b) legally or contractually required to be maintained intact.

Restricted fund balance: This classification reflects the constraints imposed on resources either a) externally by creditors, grantors, contributors, or laws and regulations of other governments; or b) imposed by law through constitutional provisions or enabling legislation.

Committed fund balance: These amounts can only be used for specific purposes pursuant to constraints imposed by formal resolutions of the Board of Education – the District's highest level of decision making authority. Those committed amounts cannot be used for any other purpose unless the Board of Education removes the specified use by taking the same type of action imposing the commitment.

Assigned fund balance: This classification reflects the amounts constrained by the District's "intent" to be used for specific purposes, but are neither restricted nor committed. Assigned fund balances include all remaining amounts (except negative balances) that are reported in the governmental funds, other than the General Fund, that are not classified as nonspendable and are neither restricted nor committed.

*Unassigned fund balance:* This fund balance is the residual classification for the General Fund. It is used to report negative fund balances in other governmental funds.

In circumstances when a disbursement is made for a purpose for which amounts are available in multiple fund balance classifications, fund balance is depleted in the order of restricted, committed, assigned, and unassigned.

#### **Program Receipts**

Amounts reported as program receipts include 1) charges to students or others for goods, services or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions. All other governmental receipts are reported as general. All taxes are classified as general receipts even if restricted for a specific purpose.

### 2. Cash & Equivalents

State statutes require that the District's deposits be insured or collateralized in the name of the District by the trust department of a bank that does not hold the collateralized deposits. As of June 30, 2023, all bank balances on deposit are entirely insured or collateralized with securities.

Notes to the Financial Statements

June 30, 2023

#### 3. Investments

The District's investments at June 30, 2023, are as follows:

Investment Type	Maturity Ar		Amount
Pro-rata shares of investment contracts with BOK Financial through			_
the Missouri School District Direct Deposit Program	N/A	\$	4,115,508
MOSIP - Term Series	7/31/2023		2,500,000
MOSIP - Liquid Series	N/A		41,643,302
MOSIP - U.S. Treasury Notes	7/31/2023-10/31/2023		6,033,150
MOCAAT - Liquid Series	N/A		38,386,310
		\$	92,678,270

#### **Investment Contracts with BOK Financial**

Funds on deposit with BOK Financial are invested in investment contracts in which the District has a pro-rata share of the investment contract. The investment contracts are in accordance with Section 165.051 and Section 360 of the Missouri Revised Statutes through the Missouri School District Direct Deposit Program. The investment contracts are with credit providers whose unsecured long-term debt is rated at the time of such agreement in either of the two highest rating categories by a nationally recognized rating service.

#### **Missouri Securities Investment Program (MOSIP)**

The District has a pro-rata share of funds that are invested in the Missouri Securities Investment Program. Funds invested are in accordance with Section 165.051 of the Missouri Revised Statutes. The term series has a current rating of AAAf by Fitch, liquid series has a rating of AAAm by Standard and Poor's, and the U.S. Treasury notes are rated AA+ by Standard and Poor's.

#### Missouri Capital Asset Advantage Treasury (MOCAAT)

The District has a pro-rata share of the liquid series which follows the investment criteria for an AAAm S&P rated stable value Local Government Investment Pool and invests in such investments as U.S. Treasury and government agency securities, repurchase agreements, certificates of deposit, and commercial paper. The liquid series has a current rating of AAAm by S&P. These funds are invested in accordance with Section 165.051 of the Missouri Revised Statutes.

#### **Interest Rate Risk**

As a means of limiting its exposure to fair value losses arising from rising interest rates, the District's investment policy limits the District's investment portfolio to maturities of approximately one year. All investments are held to maturity.

#### 4. Taxes

Property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on November 1 and payable by December 31. The county collects the property tax and remits it to the District.

Notes to the Financial Statements

June 30, 2023

The District also receives sales tax collected by the State and remitted based on eligible pupils. The District is required to reduce its property tax levy by one-half the amount of sales tax estimated to be received in the subsequent calendar year unless the voters have approved a waiver of the rollback provision. The District has voted a waiver of the rollback provision.

The assessed valuation of the tangible taxable property for the calendar year 2022 for purposes of local taxation was:

Real estate	\$ 627,755,452
Personal property	192,580,392
	\$ 820,335,844

The tax levy per \$100 of the assessed valuation of tangible taxable property for the calendar year 2022 for purposes of local taxation was:

	Ur	nadjusted		Adjusted
l Fund	\$	5.0294	\$	5.0294
ervice Fund		1.2906		1.2906
	\$	6.3200	\$	6.3200
	\$	6.3200	Ş	_

The receipts of current and delinquent property taxes during the fiscal year ended June 30, 2023, aggregated approximately 99 percent of the current assessment computed on the basis of the levy as shown above.

### 5. Interfund Transfers

Transfers between funds of the District for the year ended June 30, 2023, were as follows:

	Transfers In		Tra	ansters Out
General Fund	\$	-	\$	9,921,529
Special Revenue Fund	7,921,52	9		-
Capital Projects Fund	2,000,00	0		
	\$ 9,921,52	9	\$	9,921,529

The District is required to make a transfer from the General Fund to the Special Revenue Fund to cover the excess of disbursements over receipts each year. Additionally, the District is allowed to make transfers from the General Fund to the Capital Projects Fund to cover excess disbursements and to build balances.

Notes to the Financial Statements

June 30, 2023

## 6. General Obligation Bonds

6. General Obligation Bonds		
Outstanding general obligation bonds at June 30, 2023, consist of:		
\$22,000,000 Series 2014 general obligation school building bonds dated May 29, 2014, due in varying annual installments through March 1, 2034; interest at 5.00%.	\$	20,740,000
\$25,120,000 Series 2014 general obligation refunding bonds dated July 29, 2014, due in varying annual installments through March 1, 2027; interest at 3.00% to 5.00%.		15,505,000
\$27,010,000 Series 2019A general obligation school bonds dated June 4, 2019, due in varying annual installments through March 1, 2039; interest at 5.00%.		27,010,000
\$10,885,000 Series 2019B taxable general obligation bonds dated June 4, 2019, due in varying annual installments through March 1, 2031; interest at 3.05% to 4.00%.		10,885,000
\$15,105,000 Series 2022 general obligation school bonds dated February 9, 2022, due in varying annual installments through March 1, 2041; interest at 4.00%.		15,105,000
\$35,000,000 Series 2023 general obligation school bonds dated May 25, 2023, due in varying annual installments through March 1, 2043; interest at 5.00%.		35,000,000
	\$	124,245,000
The following is a summary of bond transactions for the year ended June 30, 2023:		
Bonds outstanding, July 1, 2022  Bonds issued  Bonds retired	\$	93,600,000 35,000,000 (4,355,000)

Article VI, Section 26(b), Constitution of Missouri, limits the outstanding amount of authorized general obligation bonds of a district to 15 percent of the assessed valuation of the district. The legal debt margin (excluding state assessed railroad and utility) of the District at June 30, 2023, was:

Constitutional debt limit	\$ 123,050,377
General obligation bonds outstanding	(124,245,000)
Amount available in Debt Service Fund	11,260,385_
Legal Debt Margin	\$ 10,065,762

Notes to the Financial Statements

June 30, 2023

## 7. Financed Purchase Obligations

As of June 30, 2023, the District has no outstanding financed purchase obligations. The following is a summary of the activity for the year ended June 30, 2023:

Financed purchase obligation, July 1, 2022	\$ 44,817
Additional financed purchase obligations	-
Financed purchase retirements	(44,817)
Financed purchase obligation, June 30, 2023	\$ -

## 8. Other Long-term Obligations

The District has entered into other long-term obligations for the right-to-use assets or software of another party and are disbursed from the operating funds of the District. The District has various agreements that consist of the following:

District Vehicle Fleet – the District has entered into a lease agreement for the rental of several vehicles with various terms that extend through 2028. The amount paid in rental fees during the current year was \$77,961.

Buses – the District has entered into various lease agreements for the rental of student buses with various terms that extend through 2029. The amount paid in rental fees during the current year was \$392,914.

Classroom Space – the District has entered into two lease agreements for the rental of classroom space through 2027. The amount paid in rental fees during the current year was \$83,160.

Software Subscriptions – the District has entered into subscription-based information technology arrangements with terms that extend through 2028. No payments were made during the year in relation to these agreements.

The following is a schedule of future minimum payments due under these agreements, assuming non-cancellation if permitted:

	Dis	trict Fleet			Cl	lassroom	S	oftware	Tot	al Payments

### 9. Retirement Plans

### Public School Retirement System of Missouri and Public Education Employee Retirement System of Missouri

Summary of Significant Accounting Policies

The District participates in the Public School Retirement System and the Public Education Employee Retirement System (PSRS and PEERS, also referred to as the Systems). The financial statements of the District were prepared using the modified cash basis of accounting. Therefore, member and employer contributions are recognized when paid and the District's net pension liability, deferred outflows and inflows of resources related to pensions are not recorded in these financial statements.

Plan Description. PSRS is a mandatory cost-sharing multiple employer retirement system for all full-time certificated employees and certain part-time certificated employees of all public school districts in Missouri (except the school districts of St. Louis and Kansas City) and all public community colleges. PSRS also includes certificated employees of the Systems, Missouri State Teachers' Association, Missouri State High School Activities Association, and certain employees of the State of Missouri who elected to remain covered by PSRS under legislation enacted in 1986, 1987 and 1989. The majority of PSRS members are exempt from Social Security contributions. In some instances, positions may be determined not to be exempt from Social Security contributions. Any PSRS member who is required to contribute to Social Security comes under the requirements of Sections 169.070 (9) RSMo, known as the "two-thirds statute." PSRS members required to contribute to Social Security are required to contribute two-thirds of the approved PSRS contribution rate and their employer is required to match the contribution. The members' benefits are further calculated at two-thirds the normal benefit amount.

Plan Description. PEERS is a mandatory cost-sharing multiple employer retirement system for all non-certificated public school district employees (except the school districts of St. Louis and Kansas City), employees of the Missouri Association of School Administrators, and community college employees (except the Community College of St. Louis). Employees of covered districts who work 20 or more hours per week on a regular basis and who are not contributing members of PSRS must contribute to PEERS. Employees of the Systems who do not hold Missouri educator certificates also contribute to PEERS. PEERS was established as a trust fund by an Act of the Missouri General Assembly effective October 13, 1965. Statutes governing the System are found in Sections 169.600 - 169.715 and Sections 169.560 - 169.595 RSMo. The statutes place responsibility for the operation of PEERS on the Board of Trustees of PSRS.

Benefits Provided. PSRS is a defined benefit plan providing retirement, disability, and death/survivor benefits. Members are vested for service retirement benefits after accruing five years of service. Individuals who (a) are at least age 60 and have a minimum of five years of service, (b) have 30 years of service, or (c) qualify for benefits under the "Rule of 80" (service and age total at least 80) are entitled to a monthly benefit for life, which is calculated using a 2.5% benefit factor. Actuarially age-reduced benefits are available for members with five to 24.9 years of service at age 55. Members who are younger than age 55 and who do not qualify under the "Rule of 80" but have between 25 and 29.9 years of service may retire with a lesser benefit factor. Members that are three years beyond normal retirement can elect to have their lifetime monthly benefits actuarially reduced in exchange for the right to also receive a one-time partial lump sum (PLSO) payment at retirement equal to 12, 24, or 36 times the Single Life benefit amount.

Benefits Provided. PEERS is a defined benefit plan providing retirement, disability, and death benefits to its members. Members are vested for service retirement benefits after accruing five years of service. Individuals who (a) are at least age 60 and have a minimum of five years of service, (b) have 30 years of service, or (c) qualify for benefits under the "Rule

Notes to the Financial Statements

June 30, 2023

of 80" (service and age total at least 80) are entitled to a monthly benefit for life, which is calculated using a 1.61% benefit factor. Members qualifying for "Rule of 80" or "30-and-out" are entitled to an additional temporary benefit until reaching minimum Social Security age (currently age 62), which is calculated using a 0.8% benefit factor. Actuarially age-reduced retirement benefits are available with 5 to 24.9 years of service at age 55. Members who are younger than age 55 and who do not qualify under the "Rule of 80" but have between 25 and 29.9 years of service may retire with a lesser benefit factor. Members that are three years beyond normal retirement can elect to have their lifetime monthly benefits actuarially reduced in exchange for the right to also receive a one-time partial lump sum (PLSO) payment at retirement equal to 12, 24, or 36 times the Single Life benefit amount.

Cost-of-Living Adjustments (COLA). The Board of Trustees has established a policy of providing a 0.00% COLA for years in which the CPI increases between 0.00% and 2.00%, a 2.00% COLA for years in which CPI increases between 2.00% and 5.00%, and a COLA of 5.00% if the CPI is greater than 5.00%. If the CPI decreases, no COLA is provided. For any PSRS member retiring on or after July 1, 2001, such adjustments commence on the second January after commencement of benefits and occur annually thereafter. For PEERS members, such adjustments commence on the fourth January after commencement of benefits and occur annually thereafter. The total of such increases may not exceed 80% of the original benefit for any member.

Contributions. PSRS members were required to contribute 14.5% of their annual covered salary during fiscal year 2023. Employers were required to match the contributions made by employees. The contribution rate is set each year by the PSRS Board of Trustees upon the recommendation of the independent actuary within the contribution restrictions set in Section 169.030 RSMo. The annual statutory increase in the total contribution rate may not exceed 1% of pay.

Contributions. PEERS members were required to contribute 6.86% of their annual covered salary during fiscal year 2023. Employers were required to match the contributions made by employees. The contribution rate is set each year by the PSRS Board of Trustees upon the recommendation of the independent actuary within the contribution restrictions set in Section 169.030 RSMo. The annual statutory increase in the total contribution rate may not exceed 0.5% of pay.

The District's contributions to PSRS and PEERS were \$7,779,225 and \$1,758,924, respectively, for the year ended June 30, 2023.

Summary Plan descriptions detailing the provisions of the plans as well as additional information regarding the District's net pension liability and deferred inflows and outflows of resources can be found on the Systems' website at <a href="https://www.psrs-peers.org">www.psrs-peers.org</a>.

## 10. Compensated Absences

All employees of the District that are employed on a 12-month basis may accumulate vacation leave based on years of service in the District. Employees who have been with the District for 10 complete years or less may accumulate up to 20 days of unused vacation time. Employees who have been at the District for more than 10 complete years may accumulate up to 30 days of unused vacation time. Upon separation or retirement from the District, these eligible employees will be remunerated for the accumulated unused vacation time at the employee's daily rate of base pay for professional staff and the hourly rate of pay for support staff. As of June 30, 2023, the maximum unrecorded liability for vacation pay would have been \$481,272.

Notes to the Financial Statements

June 30, 2023

## 11. Claims & Adjustments

The District participates in a number of federal and state programs that are fully or partially funded by grants received from other governmental units. Disbursements financed by grants are subject to audit by the appropriate grantor government. If disbursements are disallowed due to noncompliance with grant program regulation, the District may be required to reimburse the grantor government. As of June 30, 2023, disbursements have not been audited by grantor governments, but the District believes that disallowed disbursements, if any, based on subsequent audits will not have a material effect on any of the individual government funds or the overall financial position of the District.

## 12. Risk Management

The District is exposed to various risks of losses related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District has transferred its risk by obtaining coverage from commercial insurance companies. In addition, it has effectively managed risk through various employee education and prevention programs. There has been no significant reduction in insurance coverage from the previous year.

## 13. Post-Employment Benefits

In addition to the pension benefits described in Note 9, the District makes available post-retirement healthcare benefits to all employees who retire from the District. Participation by retirees in the District health plan is subject to terms and conditions set forth in the Board policy. The cost of the coverage is charged to the retiree at a blended rate for all employees. The District has not made a formal evaluation or projection on the future cost of the existing health care benefit plan in relation to retirees.

#### 14. Cost Plus Insurance Contract

The District has a cost plus contract for employee health insurance. As part of the contract there is a terminal liability maximum maintained by the District in cash reserves. The amount of \$675,000 is approximately two months' average expenses multiplied by certain factors. The amount is reflected in the financial statements as cash and restricted net position/fund balance.

Due to the modified cash basis presentation of the financial statements, and the timing of amounts paid for health insurance, billing for claims and fees and settlement for the prior year, cash and investments are presented net of amounts due based on the cost plus insurance contract. At June 30, 2023, cash and investments were reduced by \$2,678,728 for amounts due.

Notes to the Financial Statements

June 30, 2023

#### 15. Commitments

The District had the following commitments as of June 30, 2023:

Committed To	Purpose	 Amount
Excel Constructors, Inc.	Middle school project	\$ 1,213,419
Excel Constructors, Inc.	Elementary and middle school projects	1,558,596
Stranger Industries, Inc.	District-wide improvements	179,334
CB Construction Services, LLC	Middle school project	189,729
Newkirk Novak Construction Partners	Performing Arts Center and gym projects	 24,703,586
		\$ 27,844,664

## 16. Subsequent Event

Subsequent to June 30, 2023, the District approved the issuance of General Obligation Refunding Bonds, Series 2023B, for the purpose of refunding the outstanding balance of \$19,390,000 of Series 2014 General Obligation School Building Bonds on March 1, 2024.

#### 17. Tax Abatements

As of June 30, 2023, the District did not provide tax abatements to any businesses. However, the District's taxes were reduced by agreements entered into by other governments through the following programs: the Urban Redevelopment Corporation Law (Chapter 353), the Chapter 100 Industrial Development Act, and, the Real Property Tax Increment Allocation Redevelopment Act (Tax Incremental Financing).

The Urban Redevelopment Corporation Law, or Chapter 353, is an economic development tool to encourage redevelopment of blighted areas. Under Sections 353.010-353.190, RSMo., the Urban Redevelopment Corporation has a tax abatement available for 25 years. During the first 10 years, the property is not subject to real property taxes except in the amount of real property taxes assessed on the land during the calendar year during with the Urban Redevelopment Corporation acquired title to the real property.

For the remaining 15 years, the property may be assessed up to 50% of its true value. Payments in lieu of taxes (PILOTs) may be imposed on the Urban Redevelopment Corporation by the city in order to replace all or part of the real estate taxes abated. The PILOTs must be allocated based on a proportionate share to each taxing district.

The Chapter 100 Industrial Development Act allow cities or counties to purchase or construct certain types of projects with bond proceeds and lease the project to a company under Sections 100.010-100.200, RSMo. Eligible projects include the purchase, construction, extension and improvement of warehouses, distributions facilities, research and development facilities, office industries, agricultural processing industries, service facilities which provide interstate commerce, and industrial plants. Since the city or county owns the property and leases it to the company, an amount of the property taxes can be abated for a term agreed on by the city or county issuer and the company. Cities and counties are allowed to require the company to make payments in lieu of taxes (PILOTs) for a portion of the taxes it would have otherwise been required to pay.

Notes to the Financial Statements

June 30, 2023

Tax Incremental Financing (TIF) is an economic development tool which redirects local tax revenues towards the redevelopment of eligible properties that are otherwise economically unfeasible. Sections 99.800-99.865, RSMo, the Real Property Tax Increment Allocation Redevelopment Act, enables cities to finance certain redevelopment costs with the incremental tax revenue generated by the net increase in assessed valuation resulting from the redevelopment. Real estate taxes in the redevelopment area are frozen at the current level or base valuation. The increased assessed valuation resulting from the redevelopment is referred to as payments in lieu of taxes (PILOT). PILOTs for each TIF district are collected by the county collector and distributed to the cities that authorized the TIF, these funds are then distributed to a TIF special allocation fund or other political subdivisions.

Information relevant to disclosure of these programs for the year ended June 30, 2023, is as follows:

Government Entering into Agreement	Tax Abatement Program	 mount of ces Abated	Lieu of Tax Received		
City of Kansas City	Tax Increment Financing				
	Ad-valorem taxes	\$ 722,765	\$ -

Notes to the Budgetary Comparison Schedules
Year Ended June 30, 2023

### **Budgets and Budgetary Accounting**

The District follows these procedures in establishing the budgetary data reflected in the financial statements:

- 1. In accordance with Chapter 67, RSMo, the District adopts a budget for each fund.
- 2. Prior to July, the superintendent, who serves as the Budget Officer, submits to the Board of Education a proposed budget for the fiscal year beginning on the following July 1. The budget includes estimated receipts and proposed disbursements for all District funds. Budgeted disbursements cannot exceed beginning available monies plus estimated receipts for the year.
- 3. A public hearing is conducted to obtain taxpayer comments. Prior to its approval by the Board of Education, the budget document is available for public inspection.
- 4. Prior to July 1, the budget is legally enacted by a vote of the Board of Education.
- 5. Subsequent to its formal approval of the budget, the Board of Education has the authority to make necessary adjustments to the budget by formal vote of the Board. Adjustments made during the year are reflected in the budget information included in the financial statements. Budgeted amounts are as originally adopted, or as amended by the Board of Education. Individual amendments were not material to the original appropriations, which were amended.
- 6. Budgets for District funds are prepared and adopted on the modified cash basis (budget basis), which is consistent with the basis of accounting used for the financial statements.

# Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Board of Education Raytown C-2 School District Raytown, Missouri

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the modified cash basis financial statements of the governmental activities and each major fund of the Raytown C-2 School District, as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the Raytown C-2 School District's basic modified cash basis financial statements, and have issued our report thereon dated December 1, 2023.

#### **Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Raytown C-2 School District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Raytown C-2 School District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitation, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Raytown C-2 School District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## Independent Auditors' Report on Compliance for Each Major Program and on Internal Control over Compliance Required by the Uniform Guidance

Board of Education Raytown C-2 School District Raytown, Missouri

#### **Report on Compliance for Each Major Federal Program**

#### Opinion on Each Major Federal Program

We have audited Raytown C-2 School District's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Raytown C-2 School District's major federal programs for the year ended June 30, 2023. Raytown C-2 School District's major federal programs are identified in the Summary of Auditors' Results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, Raytown C-2 School District, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

#### Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Raytown C-2 School District, and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the District's compliance with the compliance requirements referred to above.

#### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the District's federal programs.

#### Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Raytown C-2 School District's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, Government Auditing Standards, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is substantial likelihood that, individually or in the aggregate, it would influence the judgement made by a reasonable user of the report on compliance about Raytown C-2 School District's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform
  audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding
  Raytown C-2 School District's compliance with the compliance requirements referred to above and performing
  such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Raytown C-2 School District's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### **Report on Internal Control over Compliance**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Notes to the Schedule of Expenditures of Federal Awards

Year Ended June 30, 2023

#### 1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal award activity of the District for the year ended June 30, 2023, and is presented on the modified cash basis of accounting as described below. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the District, it is not intended to and does not present the financial position, changes in net position or cash flows of the District.

#### 2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the modified cash basis of accounting which is described in Note 1 to the District's financial statements. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

#### 3. Indirect Cost Rate

The District elected not to use the 10-percent *de minimis* indirect cost rate allowed under the Uniform Guidance.

#### 4. Noncash Assistance

Commodities received and expended are valued by the Food Service Section of the Department of Elementary and Secondary Education.

Noncash assistance expended through the COVID-19 Emergency Connectivity Fund Program were valued based on actual cash expended on equipment and services through a third-party vendor on behalf of the District.

Schedule of Findings and Questioned Costs

None

**Section III: Federal Award Findings and Questioned Costs** 

None

Summary Schedule of Prior Audit Findings
Year Ended June 30, 2023

There were no prior year audit findings.

Board of Education Raytown C-2 School District Raytown, Missouri

We have examined Raytown C-2 School District's compliance with the requirements of Missouri laws and regulations regarding budgetary and disbursement procedures; accurate disclosure of the District's attendance records of average daily attendance, standard day length, resident membership on the last Wednesday of September, pupil transportation records of the average daily transportation of pupils eligible and ineligible for state aid, the number of miles eligible and ineligible for state aid and other statutory requirements as listed in the Schedule of Selected Statistics during the year ended June 30, 2023. Raytown C-2 School District's management is responsible for its assertions. Our responsibility is to express an opinion on Raytown C-2 School District's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether Raytown C-2 School District complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that our examination provides a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

Our examination engagement does not provide a legal determination on Raytown C-2 School District's compliance with the specified requirements.

In our opinion, Raytown C-2 School District complied in all material respects, with the aforementioned requirements for the year ended June 30, 2023.

This report is intended solely for the information and use of the Board of Education, District management, and the Missouri Department of Elementary and Secondary Education and is not intended to be, and should not be, used by anyone other than these specified parties.
