4. Student Reaction

# The Process

- The Technology Vanguard Committee was formed
  - Teachers at all grade levels with an interest in classroom technology.
- Amanda Cahill and Danielle McFarland recorded feedback from the Vanguard Committee on the ideal Classroom Panel
  - Met with vendors to determine our options
- Hosted a demonstration for technology and the Vanguard on three options
- The Vanguard Committee tested each option for about two months.

# The Decision

The Team choose the Clear Touch 6000A+ Panel.

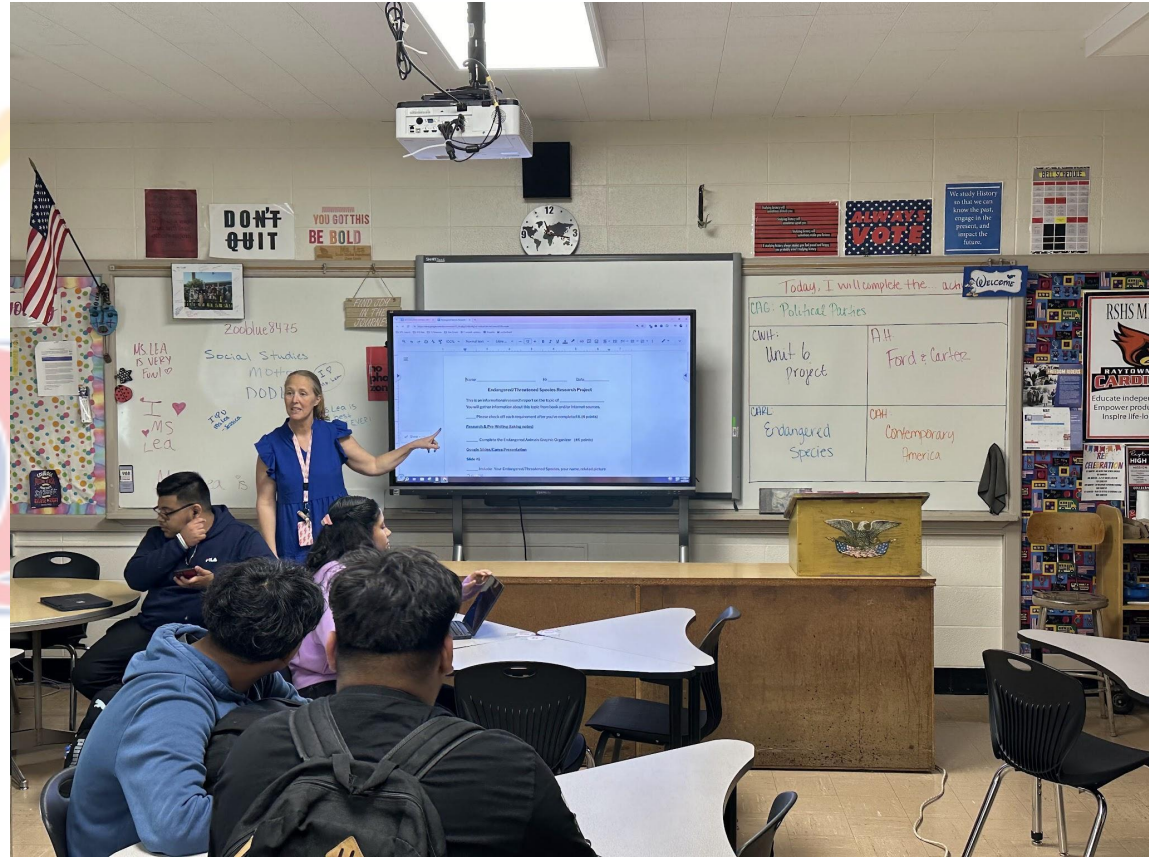

# Benefits

- *Integrated Google Ecosystem*
  - Seamless integration with Google, simplifies lesson planning, content creation, and student management.
- *Enhanced Collaboration*
  - Promotes interactive discussions and teamwork among students.
- *Access to Educational Resources*
  - Enrich lessons with multimedia materials and simulations.
- *Seamless Connectivity*
  - Easily connects with student and teacher devices.

# Student Response

- Engages students with interactive features.
- Facilitates collaboration and teamwork.
- Integrates seamlessly with technology students already use.
- Enhances learning experience with hands-on interactivity.
